Re: S/D 85-108 - Final Plat of Baugher Addition.

Gentlemen:

At the regular meeting of the Metropolitan Area Planning Commission on January 9, 1986, the above-captioned plat was considered. The action of the Planning Commission was to recommend that the plat be approved as recommended by the Subdivision Committee subject to the conditions stated in our letter of January 3, 1986.

In addition to complying with those conditions, it is necessary that you meet the following requirements before this plat can be forwarded to the Board of City Commissioners for consideration:

1. Submission of the fully completed and signed tracing of the subdivision to the Metropolitan Area Planning Department.
2. Submission of a title report by an abstract or title insurance company or an attorney's opinion that fee title is vested in the platfor.
3. Certification that all real estate taxes for the first half of 1985 and all prior years have been paid.

Please call if you have any questions.

Very truly yours,

Barbara R. Bonanni
Junior Planner

 - Total: 4
 3. Minimum Lot Area: 7,182.33 Sq. Ft.
 4. Existing Zoning: "AA"
 5. Proposed Zoning: "AA"
-

STAFF COMMENTS:

- A. The applicant shall guarantee the extension of City Water to serve the lots being platted.
- B. The applicant shall attempt to obtain a valid paving petition for the paving of 26th Street North from Amidon to Coolidge. If a valid petition cannot be obtained, the applicant shall sign a petition for the paving of 26th Street North adjacent only to this plat.
- C. The applicant shall guarantee any drainage improvements required by the platting of this property.
- D. If improvements are guaranteed by petition, a notarized certificate listing the petitions shall be submitted to the Planning Department for recording.
- E. The final plat shall indicate the platting of a 25-foot front yard building setback from Coolidge and a 15-foot side yard building setback from 26th Street on Lot 3.
- F. The final plat tracing shall indicate angles or bearings for the perimeter of this plat.
- G. Perimeter closure computations shall be submitted with the final plat tracing. Section 5-101(C).
- H. Recording of the plat within 30 days after approval by the Board of City Commissioners.
- I. The representative from the City Engineer's office should be prepared to comment on the status of the applicant's drainage plan. Specifically, are any drainage guarantees required with the platting of this property?

NOTE: This plat was submitted in final form only.
