SECRETARY'S REPORT

CASE NUMBER: BZA 34-89

OWNER/APPLICANT/AGENT: Gary Lanning (owner/applicant)

REQUEST: Exception to permit a child day care center

CURRENT ZONING: "RB" Four-Family Dwelling District

SITE SIZE: 125 ft. x 107 ft.

LOCATION: Northeast corner of Pawnee and Erie.

JURISDICTION: The Board has jurisdiction to consider this request under the provisions outlined in Section 2.12.590.C, Code of the City of Wichita. The Board may grant the exception, provided the conditions set out in Section 28.04.185.2 can be complied with.

BACKGROUND: The applicant is requesting a use exception to permit the establishment of a child care center in the "RB" District at the northeast corner of Pawnee and Erie. An existing fourplex will be remodeled for the center. The applicant lives adjacent to the north. He and his wife operate Lanning's Learning Tree Child Day Care Center at 2021 S. Hillside, a center for 120 children 2-1/2 to 10 years old. The center on Erie will be for up to 40 children 1 to 3 years old. The applicant has stated that the center will operate from 6:30 a.m. to 6:30 p.m. Mondays through Fridays. Several other child care centers have been approved as use exceptions by the Board in this general vicinity in previous years (BZA 12-79: south side Pawnee between Poplar and Cheyenne; BZA 52-86: southwest corner of Hillside and Kinkaid). Pawnee has only 40 feet of half-street right-of-way adjacent to Maplewood Addition whereas 50 feet is the standard for arterials. More recent plats or zone change cases have been required to dedicate additional right-of-way. Because a full 10-foot street dedication would interfere with the building, it is recommended that a 5-foot dedication be required outright at this time with an additional 5-foot contingent dedication based on removal of the building.

The site plan shows a new 7-foot wood fence around the north and east sides of the playground and parking area. The applicant should consider locating the fence along the east property line, rather than at the 8-foot easement line to avoid having to maintain an 8-foot-wide strip of ground outside the fence.

ADJACENT ZONING AND LAND USE:

NORTH	"RB"	One-family dwelling
SOUTH	"AA"	One-family dwelling
EAST	"RB"	One-family dwelling
WEST	"RB"	Fourplexes and duplex

RECOMMENDATION: Should the Board determine that a child care center is appropriate at this location, it is recommended that the exception be approved, subject to the following conditions:

1. The child care center shall comply with the licensing requirements of the Kansas State Department of Health, including all building and fire safety regulations of the State and City.
2. The Department of Health shall determine the maximum number of children to be permitted in the center.
3. Outdoor play shall be limited to the hours between 7:30 a.m. and 6:30 p.m. when any part of the fenced play area is within 100 feet of any occupied residence.
4. One off-street parking space shall be provided on the premises for each teacher and employee, plus one off-street parking space for each vehicle used in the operation of the center.
