SECRETARY'S REPORT

CASE NO: BZA 19-93

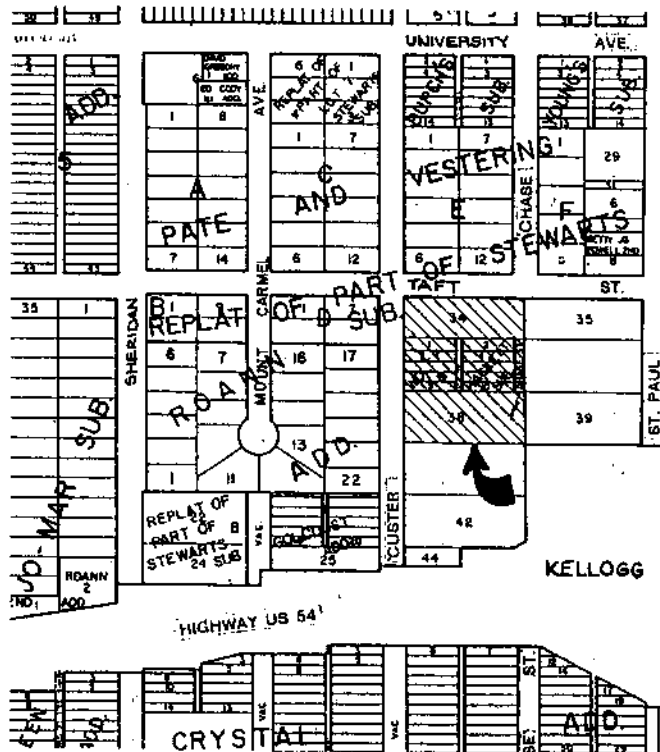

OWNER/APPLICANT/AGENT: Wichita Christian Center (owner/applicant)
Chris & Betty Kippenberger (agent)

REQUEST: Exception to permit a child day care center.

CURRENT ZONING: "AA" One-Family Dwelling District

SITE SIZE: 2.78 acres

LOCATION: S.E. corner Taft and Custer

JURISDICTION: The Board has jurisdiction to consider this request under the provisions outlined in Section 2.12.590.C, Code of the City of Wichita. The Board may grant the exception, provided the conditions set out in Section 28.04.185(2) can be complied with.

BACKGROUND: The Wichita Christian Center currently has church and school facilities (K-12th grade) located south of Taft between Custer and St. Paul. They are requesting permission to include a day care center within the west portion of the existing main building. The day care center would operate 6:30 a.m. to 6:00 p.m. Mondays through Fridays year-round. Initially, the number of children cared for would be no more than 45 with ages ranging from 2 1/2 through 5 years. Two of the existing rooms have been inspected by the Health Department and Central Inspection and a list of necessary modifications provided to the applicant.

A large playground exists in the northeast corner of this overall site for use by the school. A separate, much smaller, play area will be provided for the day care center just southwest of the building. The play area must be fenced and provide a minimum of 75 square feet of space per child. The 750-square-foot play area shown on the site plan would accommodate only ten children at one time. However, as is usually the case in child day care centers, not all the children have outdoor play time at the same time.

Required parking can be accommodated in the paved lot north of the building.

ADJACENT ZONING AND LAND USE:

NORTH	AA	One-Family Dwellings
SOUTH	AA	Add'l vacant land of Wichita Christian Center
EAST	AA	Add'l buildings and vacant land of Wichita Christian Center
WEST	AA & A	One- and Two-Family Dwellings

RECOMMENDATION: Should the Board determine that a child day care center is appropriate at this location, it is recommended that the exception be approved, subject to the following conditions:

1. The child care center shall comply with all applicable building codes of the City of Wichita and with all licensing requirements of the Wichita-Sedgwick County Health Department.
2. The maximum number of children to be accommodated at any one time shall not exceed the licensed capacity, as determined by the appropriate licensing agencies.
3. A fenced playground shall be provided as required by the Health Department licensing regulations. Outdoor play shall be limited to the hours between 7:30
