**City of Wichita  
City Council Meeting  
October 24, 2006**

**Agenda Report No.** \_\_\_\_\_

**TO:** Mayor and City Council

**SUBJECT:** ZON2006-34 (Associated with CON2006-37) Zone change from SF-5 Single-family Residential to GI General Industrial and a Conditional Use for hazardous operations. Generally located north of 111<sup>th</sup> Street South and one-half mile west of 327<sup>th</sup> Street West. (District IV)

**INITIATED BY:** Metropolitan Area Planning Department *JLS*

**AGENDA:** Planning (consent)

**MAPC Recommendation:** Approve zone change and conditional use subject to conditions

**Staff Recommendation:** Approve subject to staff recommendations (12-0).

**Background:** The applicant is requesting a zone change from “SF-5” Single Family Residential to “GI” General Industrial and a conditional use for hazardous operations on a 60.95-acre tract for a municipal safety operation. The site is located North of 111<sup>th</sup> Street South and one-half mile west of 327<sup>th</sup> Street West. The property was zoned “RR” Rural Residential prior to annexation, but upon annexation, it was converted to the SF-5 zoning district.

The conditional use plan shows explosive ordnance disposal sites surrounded by earthen berms. The conditional use is located within a larger tract of 616 acres owned by the City of Wichita. It is accessed by a private gravel drive from 111<sup>th</sup> Street South.

The surrounding area is very sparsely settled and all zoned RR. Only three farmsteads are located within the one-mile radius of the site. The farmsteads are located east of the site at a distance of approximately one-fourth mile, three-fourths mile and seven-eighths mile respectively.

**Analysis:** At the MAPC meeting held September 21, 2006, no citizens were present concerning the request. MAPC voted (12-0) to approve the zone change to GI General Industrial and the conditional use subject to the following conditions:

1. The subject property shall be developed in general conformance with the approved site plan.
2. Construction of improvements shall be commenced within one year of approval by the appropriate governing body.
3. The site shall be developed and operated in compliance with all government requirements/permits for the use.
4. If the Zoning Administrator finds that there is a violation of any of the conditions of the Conditional Use, the Zoning Administrator, in addition to enforcing the other remedies set forth in Article VIII of the Unified Zoning Code, may, with the concurrence of the Planning Director, declare that the Conditional Use is null and void.

**Financial Considerations:** None

**Goal Impact:** Promote Economic Vitality and Affordable Living

**Legal Considerations:** The ordinance has been reviewed and approved as to form by the Law Department.

**Recommendations/Actions:**

1. Adopt the findings of the MAPC and approve the zone change and approve the Conditional Use for hazardous materials subject to the recommended conditions; place the ordinance establishing the zone change on first reading and approve the resolution; or
2. Return the application to the MAPC for reconsideration.

(An override of the Planning Commission's recommendation requires a 2/3-majority vote of the membership of the governing body on the first consideration.)
