Wichita, Kansas 67206

Know all men by these presents that we the undersigned property owners of the land above set forth in the Registered Land Surveyor's Certificate, have caused the same to be surveyed and platted into Lots, Blocks, Reserves, private and public Streets the same to be known as "THE WATERFRONT RESIDENTIAL ADDITION," an addition to Wichita, Sedgwick County, Kansas.

Easements for the construction and maintenance of public utilities and public sidewalks, as indicated on the accompanying plat are hereby granted to and for the use of the public. The wall easements are non-exclusive and are platted for the construction and maintenance of a private wall, utilities may cross under the private wall. However any destruction and or damage to the private wall by said public and or private utility companies shall be repaired at the expense of said public and or private utility company.

The public streets are hereby dedicated to and for the use of the public (13th Street and the southern most 446.19 feet of Veranda Street). An emergency access opening is platted along the east end of Reserve "H". All reserves are platted for utilities confined by easements, berming, landscaping, irrigation, monuments, fountains, and walkways. Reserve "J" is also platted for open space, pitch-and-putt golf areas, private parks and recreation, and drainage. Reserves "A", "B" and "L" are also platted for private walls, and gates. Reserves "A" is also platted for open space and drainage; Reserves "E", "F", and "G" are also platted for private parking or landscaping as determined by the developer or the lot owners association; Reserve "L" and the westerly portion of "H" are also platted for public access, private streets, private sidewalks, gates, and emergency access. All of Reserve "L" is also platted for public and private utilities; such utilities are not required to be confined by easement. Reserve "K" is also platted for sidewalks and utilities not confined by easement. All of the the Reserves shall be owned and maintained by the developer and or a lot or homeowner owner's association and are reserved for the stated uses. A drainage plan has been developed for this plat and all drainage easements, right-of-way, or reserves shall remain at established grades or as modified with the approval of the applicable City or County Engineer, and unobstructed to allow for the conveyance of storm water.
