AGENDA ITEM REQUEST

Proposed Agenda Item: CON2008-00010 Sedgwick County Conditional Use for an accessory apartment. Generally located approximately ½ mile south of the intersection of South Webb Road and East 55th Street South. (District 5)

Presented By: John L. Schlegel, Planning Director *JLS*

Recommended Action: Approve the Conditional Use, subject to the conditions recommended by the Metropolitan Area Planning Commission (MAPC), adopt the findings of the MAPC and authorize the Chairman to sign the prepared resolution.

Proposed Agenda Date: May 14, 2008

Outside Attendees: Perry Duncan (Applicant)

Multimedia Presentation: Powerpoint

Donations: Not applicable

Background: The applicant seeks a Conditional Use to permit an “accessory apartment” at 5901 South Webb Road, an unplatted lot containing 8 acres. The site is developed with a residence served by lagoon and both well and rural water. The applicant proposes to install an accessory apartment in a portion of a bigger building which will be detached from the principal structure, which will be tied into the same water and septic system as the primary structure. The accessory structure is to be located approximately 120 feet south and east of the principal structure, which is approximately 2,900 square feet in size, and complies with applicable setbacks. See the attached site plan for more details.

The application area is located southeast of the city, in the county, approximately four miles west of the Sedgwick County / Butler County line and less than a mile east of the Derby city limits. The site is surrounded by large lot residential/agricultural uses. All adjoining property is zoned “RR” Rural Residential.

Analysis: The Derby Planning Commission considered this request at their April 3, 2008 meeting. There were a couple individuals that spoke against the proposed accessory apartment at the Derby meeting. Their issues with the proposed accessory apartment included keeping the integrity of the rural residential area, the property becoming a rental property, increased traffic and not being able to control who moves in as renters. There were just two people who spoke in opposition to the request but they had petitions from other surrounding neighbors. A motion was made to approve the Conditional Use, which passed 9-1.

The MAPC considered the Conditional Use request at their April 10, 2008 meeting and recommended (10-2) approval with the conditions recommended by Staff and the additional condition that the accessory apartment shall not be rented out for profit and shall only be used for immediate family members. The MAPC’s recommended conditions of approval are:

1. The accessory apartment shall only be used for immediate family members.
2. The applicant shall obtain all applicable permits, including but not limited to building, health, and zoning.
3. Development and maintenance of the site shall be in conformance with the approved site plan and Unified Zoning Code Standards.
4. If operations have not begun within one year of approval, or if the Zoning Administrator finds that there is a violation of any of the conditions of this Conditional Use, the Zoning Administrator may, with the concurrence of the Planning Director, declare the Conditional Use null and void.

The same people who spoke at the Derby Planning Commission spoke against the request at the MAPC meeting. The applicant spoke in favor of the accessory apartment during the MAPC meeting. During the subsequent two-week protest period following the MAPC meeting, Staff received protest within the 1,000-foot County protest area. These protests equal 49.1% of the total land area, which is more than the 20% requiring a $\frac{3}{4}$ majority vote by the Commission to override neighborhood protest.

neighborhood protest.

Alternatives:

1. Approve the Conditional Use, subject to the conditions recommended by the Metropolitan Area Planning Commission (MAPC), adopt the findings of the MAPC and authorize the Chairman to sign the prepared resolution (A three-fourths majority vote is required.)
2. Deny the application, by making alternative findings, and override the MAPC recommendation. (A two-thirds majority vote is required.)
3. Return the case to the MAPC for further consideration with a statement specifying the basis for the BoCC's failure to approve or deny the application. (Simple majority vote is required.)

Financial Considerations: None.

Policy Considerations: The MAPC recommendation for approval is based on the findings found in the MAPC minutes.

Legal Considerations:   li *Approved as to form and signed by County Counselor's Office*
