NOTES:

All drainage easements, rights-of-way, or reserves shall remain at established grades or as modified with the approval of the City Engineer of the City of Wichita, Kansas. No obstructions which impede the flow of this drainage system shall be allowed.

Proposed top of foundation elevations are shown on plans. Contractor to set finished floor elevations.

All street elevations shown on plans are for top of curb (full-height). Typically roll-type curbs are constructed. Devoid 2.25' from top of curb (full-height).

This Grading Plan is designed with View-Out and Walk-Out Basements. Elevations shown at rear of house (XXX V.O. and XXX H.O.) are for minimum opening.

All elevations shown on plans are City of Wichita Datum.

This grading plan has been submitted prior to the plat being recorded by Sedgwick County, Col. Daughman Company for the most current grading plan prior to construction.
