RE: KG&E Easement in Teal
Cove Second Addition

Dear Mr. Gegen:

As planned, Bill Becker and Harley Albin met this morning with Mr. Kenneth Bergtson at the proposed addition.

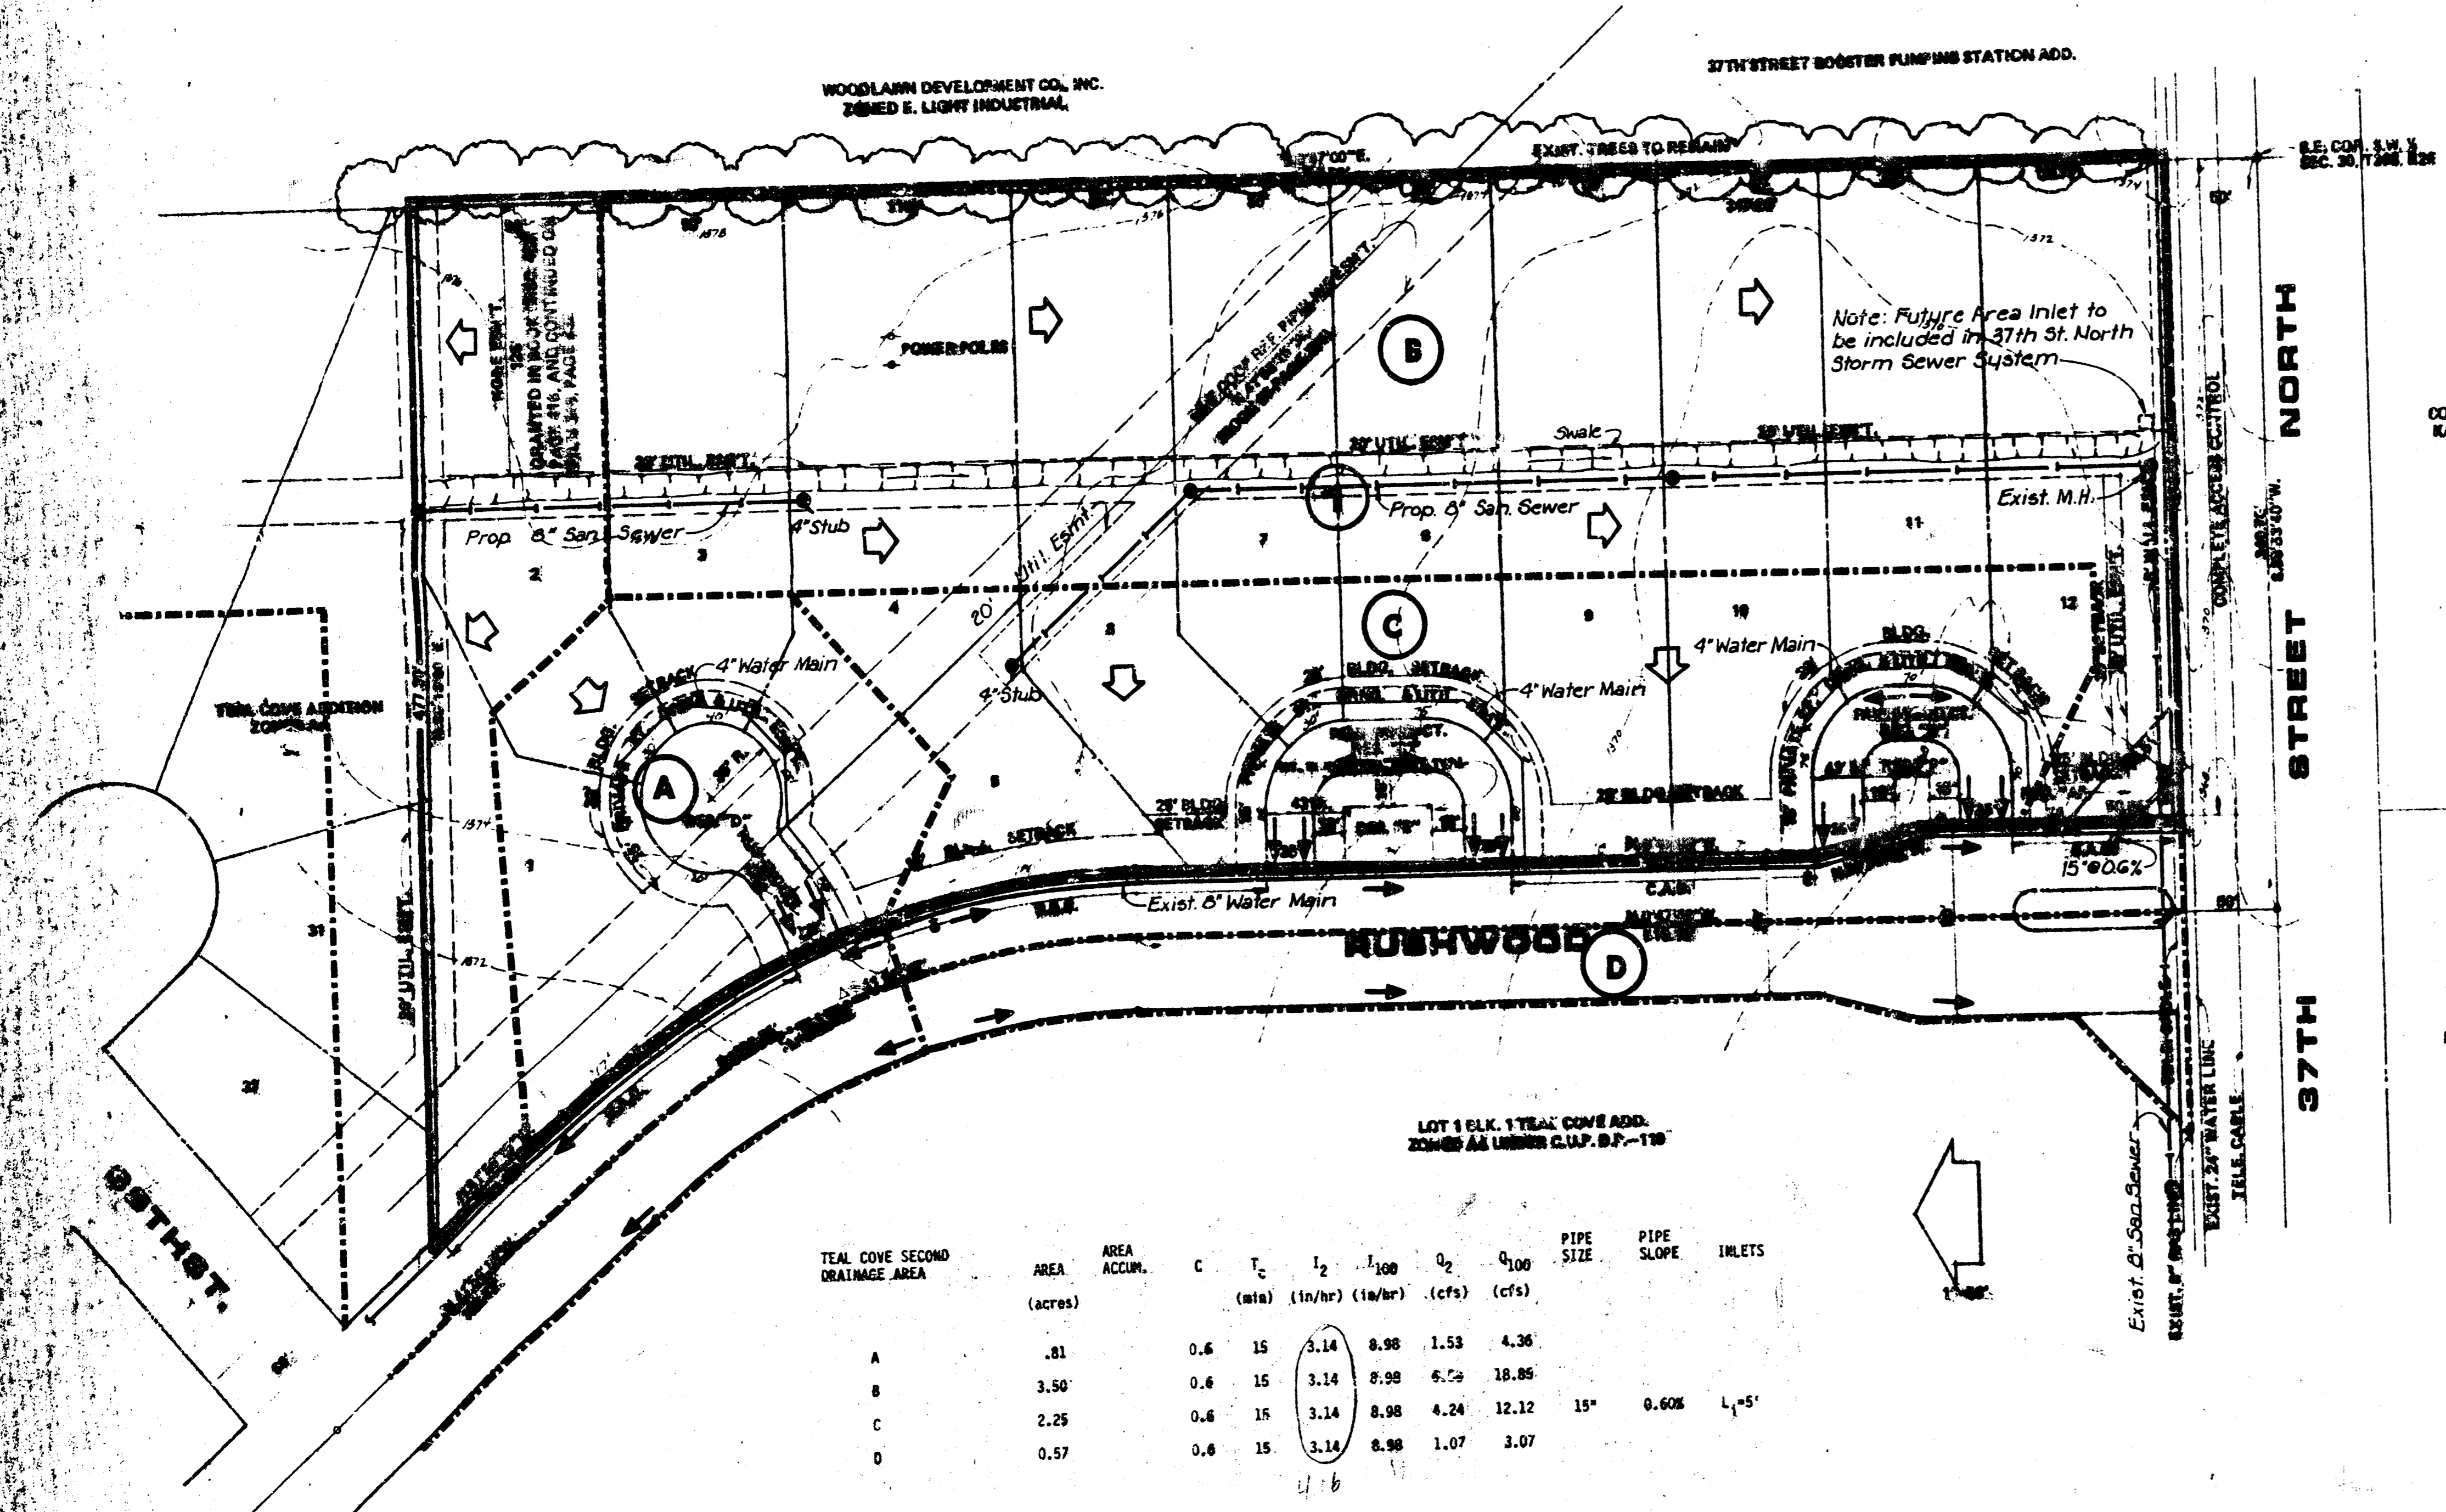

KG&E has no objection to the proposed drainage swale as staked, and describe to them by Mr. Bergtson.

As we understand there will be no elevation change greater than 12". All changes in elevation will be in the west 20' of our recorded easement.

Sincerely,
B. F. Gegen
