BOARD OF EDUCATION
WICHITA, KANSAS
June 5, 1952

Mr. L. K. White, City Engineer
City of Wichita
Wichita, Kansas

Attached is the plot plan of our school site at Maple and
Sheridan Streets.
This site was recently taken into the city and the East side
of Sheridan is already paved. We are asking that you prepare
plans and have this paved during the summer.
I talked with Mr. Edwards, county commissioner, who said that
they would save the strip north from the end of our property
to Douglas Avenue.

Yours truly
J. C. Howell
Supt. Bldgs & Grounds
