NOTES:

1. All areas disturbed from construction shall be seeded. All seeding, fertilizing and mulch shall be per City of Wichita Specifications. All lots (Lots 3-16, Block 4), including those not disturbed by construction or grading that were previously used for agricultural purposes shall be temporarily seeded. Right of way, easements, and reserves shall be permanently seeded. Prior to seeding Lot 1, Block 1, Casa Bella 2nd Addition the contractor shall verify with the owner if seeding is necessary as that is currently being used for agricultural purposes.
2. Contractor to ensure easements are free of excess silt and properly graded to allow for adequate drainage.
3. Contractor shall adjust sediment and erosion control measures as needed to prevent silt and sediment from leaving the site.
4. Contractor shall protect all existing fences, utilities and sprinklers and shall adjust silt fence to avoid damage to existing fences and utilities and sprinklers.
