LEGEND

- - SURVEY MONUMENT
- △ - SECTION CORNER
- M - MEASURED
- R - RECORD
- P - PLATTED

Note:

Referring to the City of Wichita Resurvey Plat. Two separate monuments were used to layout Right of Way along Mount Vernon. The monuments are noted as the SE Stone and the NW Stone. The SE Stone was used to establish the north and south Right of Way going west of Broadway and also to establish the north Right of Way going east of Broadway. The NW Stone was only used for south side of Mount Vernon going east of Broadway and creates varying Right of Way along the south Right of Way of Mt. Vernon as shown.
