- = AREAS OF LOT FILL
- 1380— = PROPOSED GRADING CONTOUR

NOTE

Easement Grading will be bid on a L.S. basis for grading the proposed
easements to the elevations shown on this drawing. Approximate
quantities of earthwork for easement grading with this project are shown
below. These approximate quantities are given for information only. The
Contractor should verify the quantities when preparing the proposal.

Cut 340 C.Y. (Approximate)
Fill 0 C.Y. (Approximate)
