City of Wichita
City Council Meeting
October 17, 2017

TO: Mayor and City Council
SUBJECT: CON2017-00006—City Conditional Use for an Entertainment Establishment on Property Generally Located on the South Side of East 17th Street North and East of North Hillside Road, 3815 East 17th Street North (District I).
INITIATED BY: Metropolitan Area Planning Department *DM*
AGENDA: Planning (Consent)

MAPC Recommendation: The MAPC recommended approval of the request (9-0) subject to staff recommendations.

DAB Recommendation: District Advisory Board (DAB) I reviewed the application at its meeting of April 3, 2017, and recommended approval by a vote of 9-0.

MAPD Staff Recommendation: Metropolitan Area Planning Department staff recommended approval of the request.

Background: The applicant is requesting a Conditional Use for an Entertainment Establishment in LC Limited Commercial (LC) zoning district for a 0.835-acre site located on the south side of East 17th Street North and east of North Hillside Road. The property address is 3815 East 17th Street North. The multi-purpose room at the Lutheran Student Center will have a coffee shop with a renovated kitchen, new restroom facilities and an outdoor patio. The new coffee shop operation would include food and beverage preparation and service. No alcohol will be served at the premises. The project site plan also includes a new parking lot with 23-parking spaces adjacent to the existing parking lot of the student center.

The existing Lutheran Student Center is zoned LC and is used for campus ministry services at Wichita State University for the Lutheran Church. The rezoning to LC is necessary to allow the conversion of the facility to the permitted use of a coffee shop/restaurant and the parking lot construction.

The Conditional Use application was filed in order to allow an entertainment establishment within 300 feet of a single-family zoning district. The coffee shop may provide occasional live entertainment.

Analysis: On March 23, 2017, the Metropolitan Area Planning Commission (MAPC) recommended approval of the request (9-0), subject to the conditions stated in the attached ordinance. No members of the public spoke in opposition of the request at the public hearing. The minutes of the MAPC hearing are attached.

The District Advisory Board (DAB) I reviewed the application at their meeting of April 3, 2017, and recommended approval by a 9-0 vote.

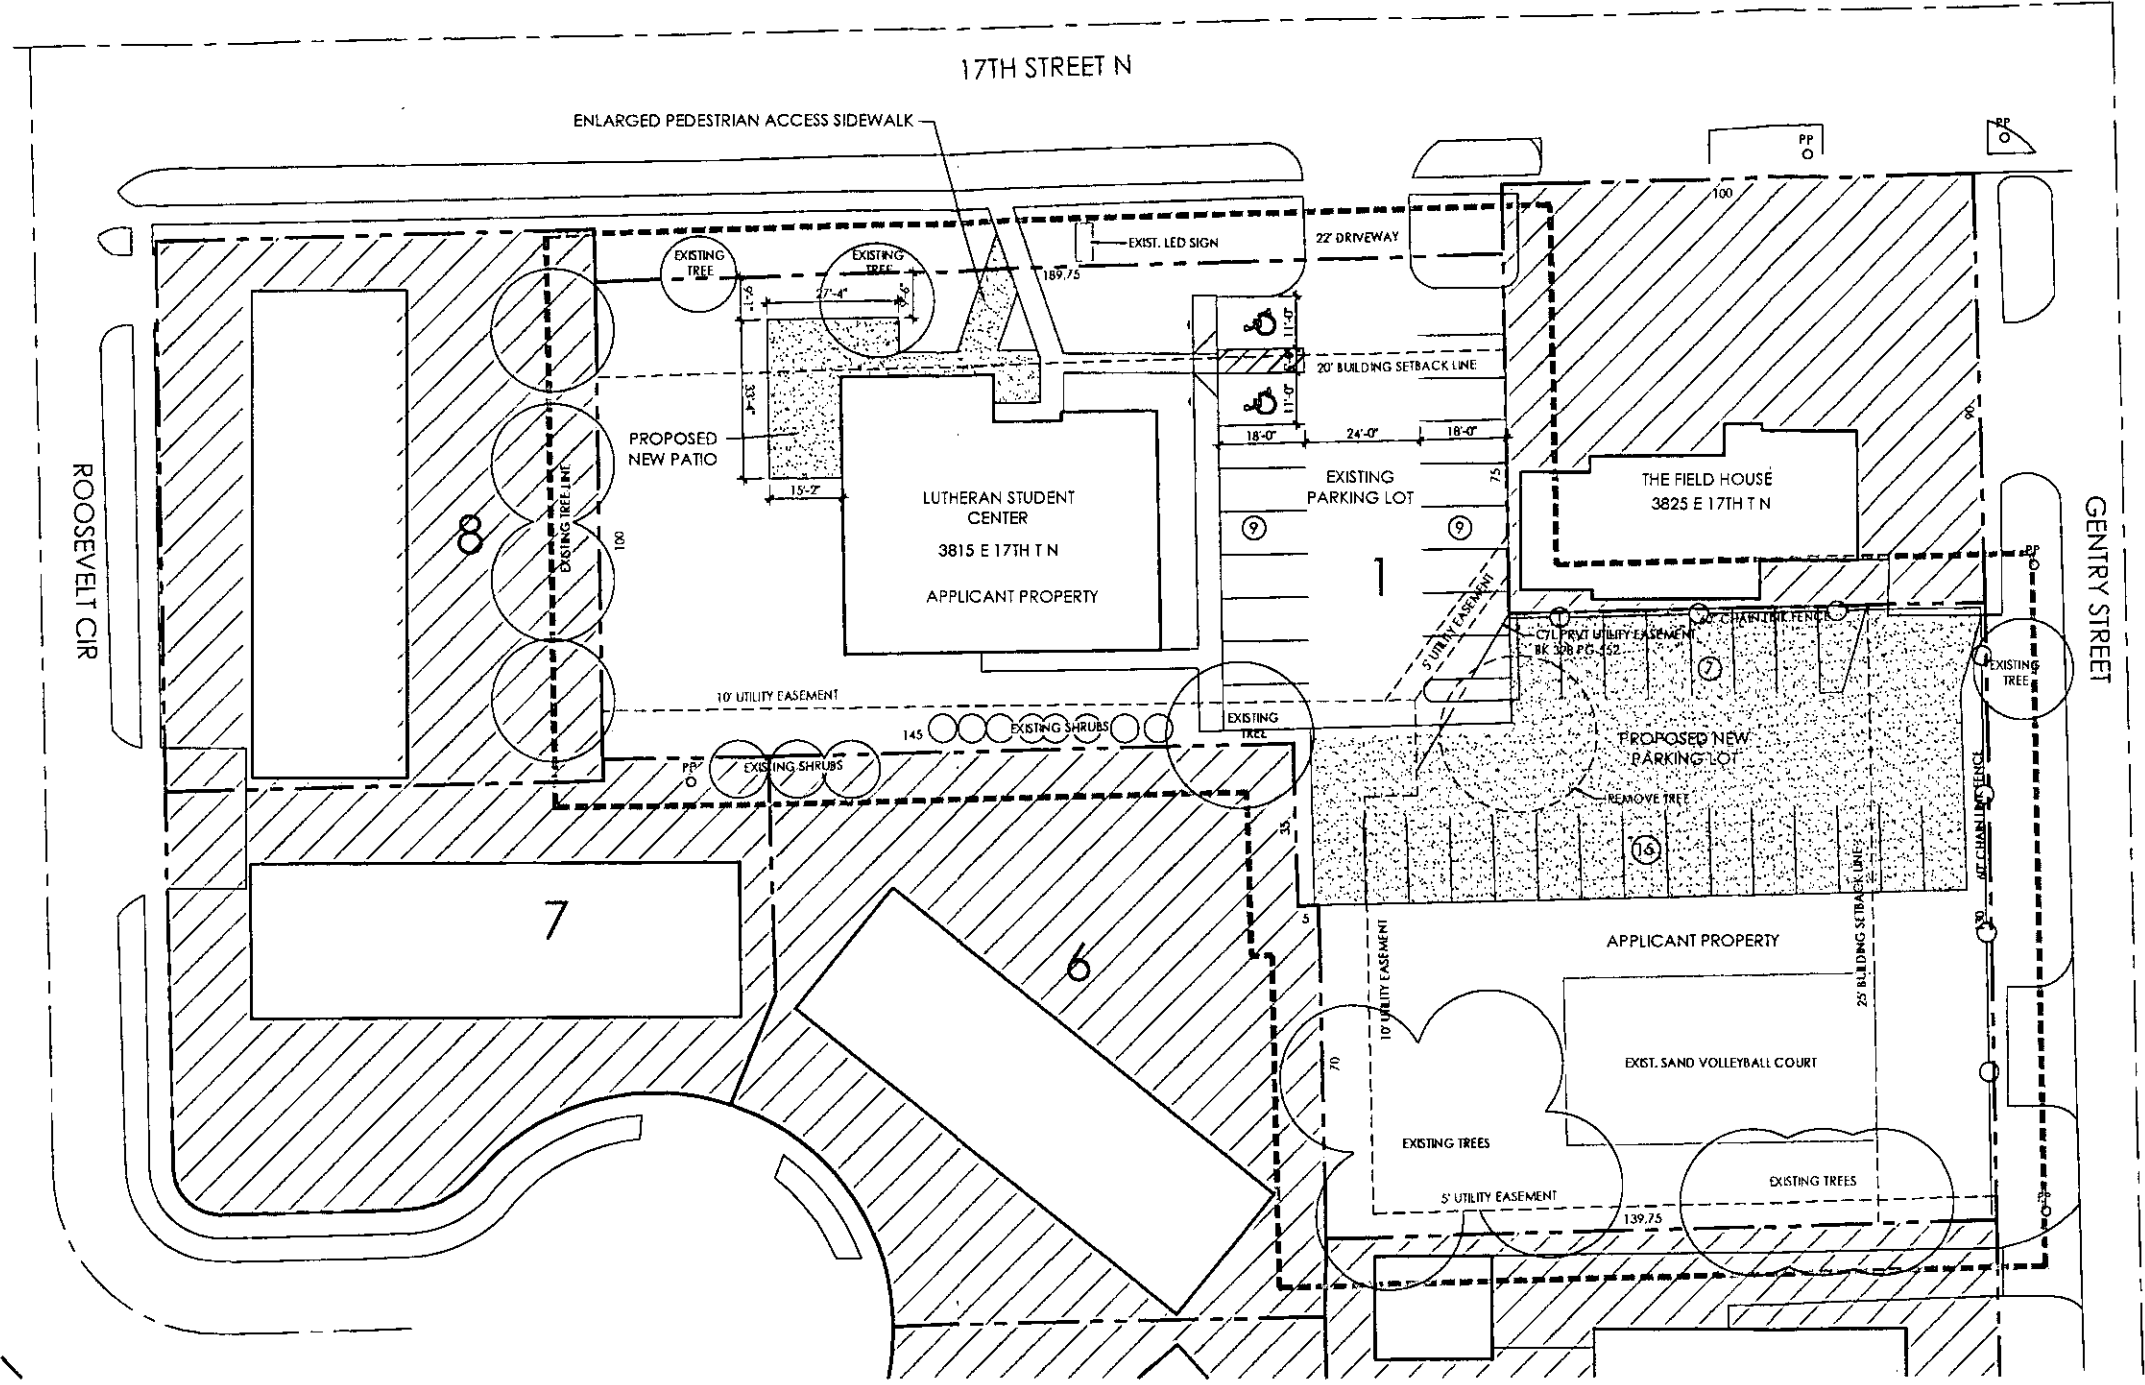

No protest petitions were submitted concerning the rezoning. The request can be approved with a simple majority vote.

Financial Considerations: Approval of this request will not create any financial obligations for the City.

Legal Considerations: The Law Department has reviewed and approved the ordinance as to form.

Recommendation/Actions: It is recommended that the City Council adopt the findings of the MAPC and approve the requested Conditional Use and authorize the necessary signatures (requires 4 of 7 votes).
