STAFF REPORT

CASE NUMBER: VAC2006-00029 Request to vacate a portion of a platted setback

APPLICANTS/OWNERS: Robert & Joni O'Brien

LEGAL DESCRIPTION: Generally described as the west 10-feet of the platted 35-foot setback that runs parallel to east lot line of Lot 16, Block 1, Sycamore Village 4th Addition, as recorded with Wichita, Sedgwick County, Kansas

LOCATION: Generally located on the northwest corner of the Rock Road – Rock Road Court intersection.
(WCC #2)

REASON FOR REQUEST: Additional space to build a pool and deck.

CURRENT ZONING: Site and all property in the area are zoned "SF-5" Single-family Residential.

VICINITY MAP:

The applicants require an additional 10-feet to build a pool and deck, thus the request. Per the Unified Zoning Code (UZC) the "SF-5" zoning district has a minimum 15-foot street side yard setback. The applicants' request would reduce the platted 35-foot street side yard setback to 25-feet; 10-feet more than the UZC's minimum street side yard setback. The site is located within CUP DP-73. The site is 1 of 16 residential lots located in Parcel 9A. If the request is approved the applicant will have to apply for an adjustment to the CUP to reflect the described vacated street side yard setback. There is a sewer line located in a platted 15-foot utility easement, which is contained within the described platted street side yard setback. There is no water or utilities located within the easement or the described setback. The Sycamore Village 4th Addition was recorded with the Register of Deeds May 20, 1985.

Based upon information available prior to the public hearings and reserving the right to make recommendations based on subsequent comments from Public Works/Water & Sewer/Storm Water, franchised utility representatives and other interested parties, Planning Staff recommends approval of the vacation of this portion of platted 35-foot setback as described.

A. That after being duly and fully informed as to fully understand the true nature of this petition and the propriety of granting the same, the MAPC makes the following findings:

1. That due and legal notice has been given by publication as required by law, in the Wichita Eagle, of notice of this vacation proceeding one time July 28, 2006, which was at least 20 days prior to this public hearing.
2. That no private rights will be injured or endangered by the vacation of the above-described portion of the platted setback and the public will suffer no loss or inconvenience thereby.
3. In justice to the petitioner, the prayer of the petition ought to be granted.

Therefore, the vacation of the portion of the platted 50-foot setbacks, described in the petition should be approved with conditions;

- (1) Vacate the only that portion of the platted 35-foot street side setback, running parallel to the east lot line of Lot 16, Block 1, Sycamore Village 4th Addition, where the pool and deck will encroach. Provide staff will a metes and bounds legal of the area encroaching on a Word document, via e-mail.
