Case No. VAC2006-00047

MORE FULLY DESCRIBED BELOW)

VACATION ORDER

NOW on this 20th day of March, 2007 comes on for hearing the petition for vacation filed by Mennonite Housing c/o Andrew L. Bias and Calvary Baptist Church c/o Dale Diggs Jr., praying for the vacation of the following described portion of platted street right-of-way, to-wit:

The 270-foot (x) 60-foot portion, except the east 25-feet, of the 26th Street North right-of-way, located between Chautauqua & Lorraine Avenues, as dedicated on the Agee - Hunter Addition, Wichita, Sedgwick County, Kansas.

The City Council, after being duly and fully informed as to fully understand the true nature of this petition and the propriety of granting the same, makes the following findings:

1. That due and legal notice has been given by publication as required by law, by publication in The Wichita Eagle on January 11, 2007, which was at least 20 days prior to the public hearing.

2. No private rights will be injured or endangered by the vacation of the above-described portion of platted street right-of-way, and the public will suffer no loss or inconvenience thereby.

3. Retain two 20-foot wide (running east to west and back) (x) 60-foot long portions (running north to south from the Agee – Hunter Addition to the Calvary Baptist Addition and back) of the vacated street right-of-way as utility easements beginning (a) 125-feet east of the west lot line of Lot 5, Block 4, Agee Hunter Addition and continuing east for 20-feet and beginning (b) 25-feet west of the east lot line of Lot 6, Block 4, Agee Hunter Addition and continuing west for 20-feet. No fencing allowed in this east utility easement.

4. Dedicate by separate instrument 2-feet of additional utility easement that will run parallel to platted 16-foot utility easement located on the rear lot lines of Lots 4, 5, 6, 7, 8, 9, & 10, Block 4, Agee – Hunter Addition and the rear lot lines of Lots 1, 2, & 3, Block 2, Bruce Jones Addition.

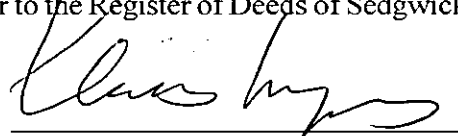

5. Provide Public Works with petitions for a water line and paving to service the proposed redevelopment of the properties from 26th to 27th Streets North and along Lorraine Avenue

6. In justice to the petitioner(s), the prayer of the petition ought to be granted.

7. No written objection to said vacation has been filed with the City Clerk by any owner or adjoining owner who would be a proper party to the petition.

8. The vacation of the portion of platted street right-of-way described herein should be approved.

IT IS, THEREFORE, BY THE CITY COUNCIL, on this 20th day of March 2007 ordered that the above-described portion of platted street right-of-way is hereby vacated. IT IS FURTHER ORDERED that the City Clerk shall certify a copy of this order to the Register of Deeds of Sedgwick County.

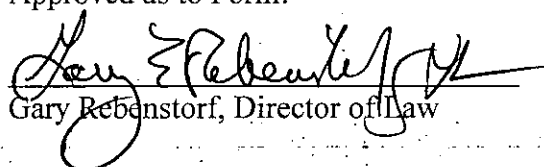

Carlos Mayans, Mayor

ATTEST:

Karen Sublett, City Clerk

Approved as to Form:

Gary Rebenstorf, Director of Law

The applicant is requesting vacation of the described platted undeveloped portion of 26th Street North. There are sewer lines and manholes in this portion of the ROW. Westar has utilities in this portion of 26th. There are no water lines in this portion of 26th. There are no platted setbacks that run parallel to the proposed vacated ROW. The owner of the property abutting the northeast portion of 26th has not signed the application or the petition to vacate: Church of the Living God, Lots 5 & 6, Block 3, Agee – Hunter Addition. Without this signature only half of the length of the ROW, from Chautauqua to Lorraine Avenues can be vacated. The Agee – Hunter Addition was recorded with the Register of Deeds June 2, 1954. The Calvary Baptist Addition, which was a replat of a portion of the Agee – Hunter Addition, was recorded with the Register of Deeds July 30, 1973.

Based upon information available prior to the public hearings and reserving the right to make recommendations based on subsequent comments from City Public Works, franchised utility representatives and other interested parties, Planning Staff recommends approval to vacate the portion of the platted 26th Street North ROW, as described with conditions.

- A. That after being duly and fully informed as to fully understand the true nature of this petition and the propriety of granting the same, the MAPC makes the following findings:
1. That due and legal notice has been given by publication as required by law, in the Wichita Eagle, of notice of this vacation proceeding one time January 11, 2007 which was at least 20 days prior to this public hearing.
 2. That no private rights will be injured or endangered by the vacation of the above-described portion of platted street ROW and the public will suffer no loss or inconvenience thereby.
 3. In justice to the petitioner, the prayer of the petition ought to be granted.

Therefore, the vacation of the portion of the platted 26th Street North ROW described in the petition should be approved with conditions;

- (1) Provide staff with a restrictive covenant tying and binding the vacated ROW to the participating abutting, directly opposed northern and southern properties. Currently the participating abutting properties are Lots 5 & 6, Block 4, Agee – Hunter Addition (north side) and that portion of Lot 1, Calvary Baptist Addition, that is directly opposite (south side).
- (2) Retain that portion of ROW, or the entire ROW, as needed for utility easements: there is sewer line and manholes in the ROW and Westar has equipment in the ROW. Provide Planning Staff with a Public Works/Water & Sewer/franchised utilities approved legal description (on a Word document via E-Mail) of that portion of the vacated ROW needed as easement.
- (3) Any relocation or reconstruction of utilities made necessary by this vacation shall be the responsibility and at the expense of the applicants. If necessary provide a letter of credit, petition or whatever method Public Work's requires to ensure that utilities are relocated or reconstructed. If needed Provide Public Works/Storm Water with any necessary plans for review and approval of relocated sewer line and manholes. If needed retain the easements

until utilities have been relocated.

- (4) As needed provide Planning Staff with Public Works/Water & Sewer/franchised utilities approved original easements (to be sent with the Vacation Order to be recorded with the Register of Deeds) for any relocated public utilities.
- (5) All improvements shall be according to City Standards, including as needed cul-de-sacs and/or dedications of public access, as approved to prevent the creation of dead-end streets. Either continue the curb and gutter along Chautauqua Avenue unbroken, retain a portion (20-foot wide) 26th Street North as public ROW, or construct a private drive. Provide Public Works with a letter of credit, petition or whatever method Public Works requires to ensure the needed improvements.
- (6) Per MAPC Policy Statement #7 all conditions to be completed within one year of approval by the MAPC or the vacation request will be considered null and void. All vacation request are not complete until the Wichita City Council or the Sedgwick County Board of County Commissioners have taken final action on the request and the vacation order and all required documents have been provided to the City, County and/or franchised utilities and the necessary documents have been recorded with the Register of Deeds.

SUBDIVISION COMMITTEE'S RECOMMENDED ACTION:

The Subdivision Committee recommends approval subject to the following conditions:

- (1) Provide staff with a restrictive covenant tying and binding the vacated ROW to the participating abutting, directly opposed northern and southern properties. Currently the participating abutting properties are Lots 5 & 6, Block 4, Agee – Hunter Addition (north side) and that portion of Lot 1, Calvary Baptist Addition, that is directly opposite (south side).
- (2) Retain that portion of ROW, or the entire ROW, as needed for utility easements: there is sewer line and manholes in the ROW and Westar has equipment in the ROW. Provide Planning Staff with a Public Works/Water & Sewer/franchised utilities approved legal description (on a Word document via E-Mail) of that portion of the vacated ROW needed as easement.
- (3) Any relocation or reconstruction of utilities made necessary by this vacation shall be the responsibility and at the expense of the applicants. If necessary provide a letter of credit, petition or whatever method Public Work's requires to ensure that utilities are relocated or reconstructed. If needed Provide Public Works/Storm Water with any necessary plans for review and approval of relocated sewer line and manholes. If needed retain the easements until utilities have been relocated.
- (4) As needed provide Planning Staff with Public Works/Water & Sewer/franchised utilities approved original easements (to be sent with the Vacation Order to be recorded with the Register of Deeds) for any relocated public utilities.

- (5) All improvements shall be according to City Standards, including as needed cul-de-sacs and/or dedications of public access, as approved to prevent the creation of dead-end streets. Either continue the curb and gutter along Chautauqua Avenue unbroken, retain a portion (20-foot wide) 26th Street North as public ROW, or construct a private drive. Provide Public Works with a letter of credit, petition or whatever method Public Works requires to ensure the needed improvements.
- (6) Per MAPC Policy Statement #7 all conditions to be completed within one year of approval by the MAPC or the vacation request will be considered null and void. All vacation request are not complete until the Wichita City Council or the Sedgwick County Board of County Commissioners have taken final action on the request and the vacation order and all required documents have been provided to the City, County and/or franchised utilities and the necessary documents have been recorded with the Register of Deeds.
