STAFF REPORT

- CASE NUMBER:** VAC2008-00032 Request to vacate a portion of a platted setback
- APPLICANT/AGENT:** Palladio Developers, LLC, c/o Gene Vitarelli (applicant/owner)
Ruggles & Bohm, PA
- LEGAL DESCRIPTION:** Generally described as the north 3 feet of the platted 15-foot street side yard setback that runs parallel to Sierra Hills Court on the south side of Lot 8, Block 4, Sierra Hills Addition, Wichita, Sedgwick County, Kansas
- LOCATION:** Generally located midway between Pawnee and Harry Streets, east of 127th Street East, on the northeast corner of Sierra Hills Street and Sierra Hills Court (WCC #II)
- REASON FOR REQUEST:** Additional room to build house
- CURRENT ZONING:** Site and all abutting and adjacent properties are zoned SF-5 Single-family Residential ("SF-5")
- VICINITY MAP:**

The applicant proposes to vacate the north 3 feet of the platted 15-foot street side yard setback, making a 12-foot setback. The zoning of the subject site is SF-5. The UZC requires a minimum of a 15-foot street side yard setback for the SF-5 zoning district, which matches the platted setback. If this was not a platted setback the applicant could have applied for an Administrative Adjustment, which would reduce the SF-5's 15-foot street side yard setback by 20%, resulting in a 12-foot setback, which is what the applicant is requesting. There are no platted easements within the platted setback. There are no utilities, manholes, sewer or water lines within the described portion of the platted setback. The Sierra Hills Addition was recorded with the Register of Deeds February 26, 2003.

Based upon information available prior to the public hearings and reserving the right to make recommendations based on subsequent comments from City Public Works, franchised utility representatives and other interested parties, Planning Staff recommends approval of the vacation of the described portion of the platted setback with conditions.

- A. That after being duly and fully informed as to fully understand the true nature of this petition and the propriety of granting the same, the MAPC makes the following findings:
1. That due and legal notice has been given by publication as required by law, in the Wichita Eagle and the Derby Reporter, of notice of this vacation proceeding one time October 2, 2008 which was at least 20 days prior to this public hearing.
 2. That no private rights will be injured or endangered by the vacation of the above-described portion of platted street side yard setback and the public will suffer no loss or inconvenience thereby.
 3. In justice to the petitioner, the prayer of the petition ought to be granted.

Therefore, the vacation of the portion of platted street side yard setback described in the petition should be approved with conditions;

- (1) The platted 15-foot setback, which runs parallel to Sierra Hills Court and located on the south side of Lot 8, Block 4, Sierra Hills Addition, will be replaced with a 12-foot setback.
- (2) Any relocation or reconstruction of utilities made necessary by this vacation shall be the responsibility of the applicants and at the applicant's expense.
- (3) All improvements shall be according to City standards and at the applicant's expense.
- (4) Per MAPC Policy Statement #7, all conditions are to be completed within one year of approval by the MAPC or the vacation request will be considered null and void. All vacation request are not complete until the Wichita City Council or the Sedgwick County Board of County Commissioners have taken final action on the request and the vacation order and all required documents have been provided to the City, County and/or franchised utilities and the necessary documents have been recorded with the Register of Deeds

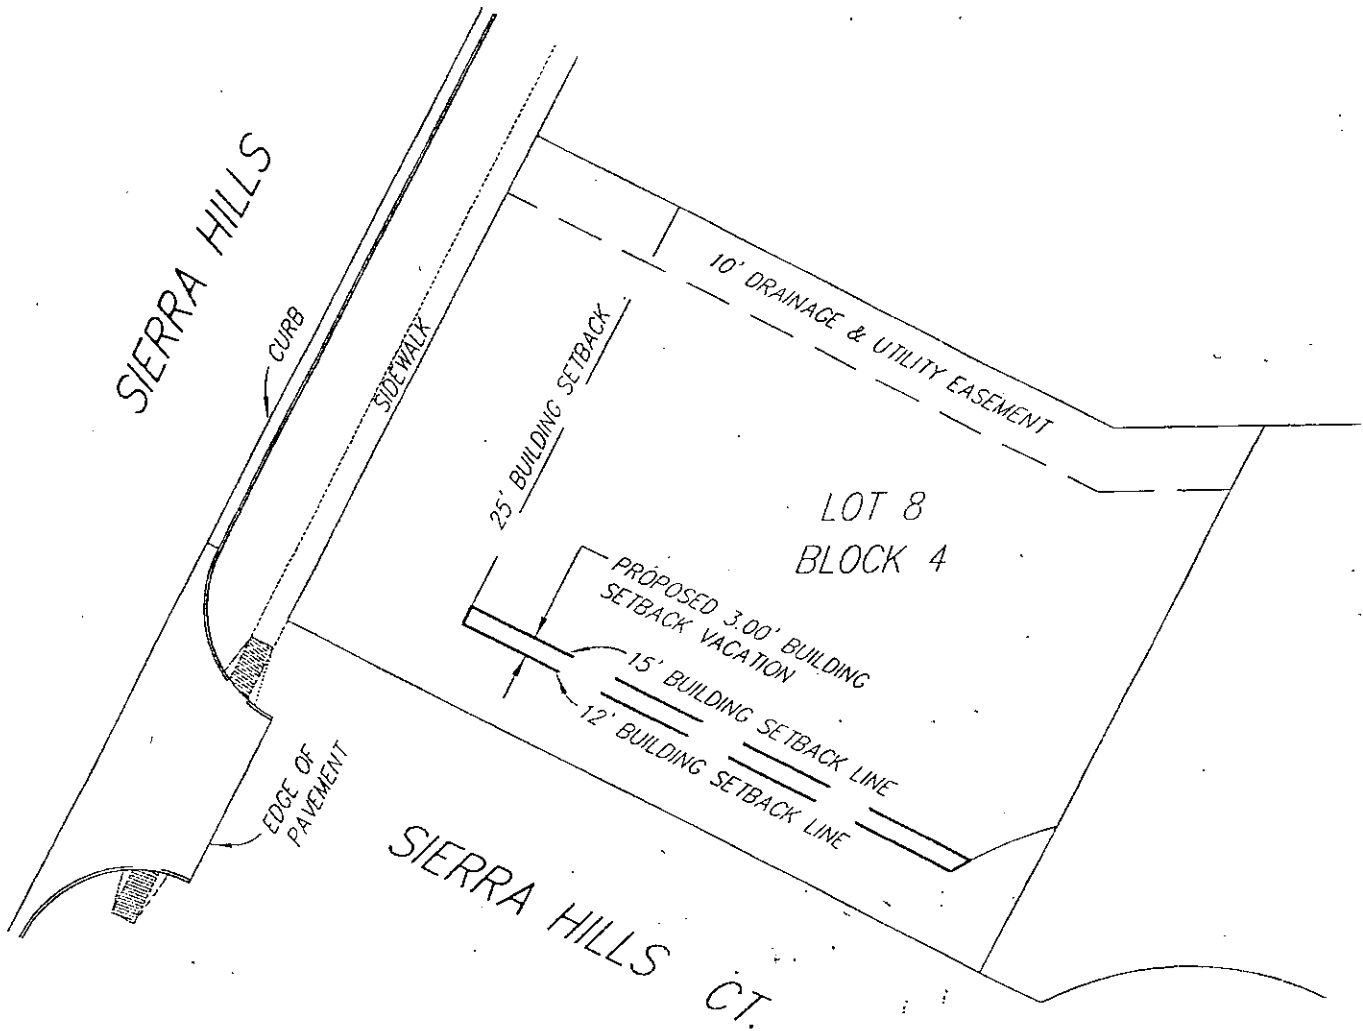

SUBDIVISION COMMITTEE'S RECOMMENDED ACTION:

- (1) The platted 15-foot setback, which runs parallel to Sierra Hills Court and located on the south side of Lot 8, Block 4, Sierra Hills Addition, will be replaced with a 12-foot setback.
- (2) Any relocation or reconstruction of utilities made necessary by this vacation shall be the responsibility of the applicants and at the applicant's expense.
- (3) All improvements shall be according to City standards and at the applicant's expense.
- (4) Per MAPC Policy Statement #7, all conditions are to be completed within one year of approval by the MAPC or the vacation request will be considered null and void.
