The applicant has contacted the Storm Water Engineer, who is agreement with vacating an undefined portion of the subject easement, contingent on plans submitted to Storm Water for review and approval. No sewer, water or franchised utilities will be impacted by the proposed vacation. The Casco Addition was recorded with the Register of Deeds October 16, 1985.

Based upon information available prior to the public hearing and reserving the right to make recommendations based on subsequent comments from City Public Works/Water & Sewer/Storm Water, franchised utility representatives and other interested parties, Planning Staff recommends approval to vacate the portion of the platted drainage easement as described in the legal description with the following conditions.

2. That no private rights will be injured or endangered by the vacation of the above-described portion of the platted drainage easement and the public will suffer no loss or inconvenience thereby.
3. In justice to the petitioner, the prayer of the petition ought to be granted.

Therefore, the vacation of the portion of the platted drainage easement described in the petition should be approved with conditions;

- (1) Vacate only that portion of the platted drainage easement as described in as approved by Storm Water.
- (2) Any relocation or reconstruction of utilities made necessary by this vacation shall be the responsibility and at the expense of the applicant. Provide City Storm Water and with all needed plans for review. Provide a guarantee for improvements and a temporary easement, both to be provided prior to proceeding to the Wichita City Council for final action.
- (3) All improvements shall be according to City Standards and at the applicant's expense.
- (4) Per MAPC Policy Statement #7, all conditions shall be completed within one year of approval by the MAPC or the vacation request will be considered null and void. All vacation requests are not complete until the Wichita City Council or the Sedgwick County Board of County Commissioners have taken final action on the request and the vacation order and all required documents have been provided to the City, County and/or

franchised utilities and the necessary documents have been recorded with the Register of Deeds.
