FILE COPY

TO: Mayor and City Council

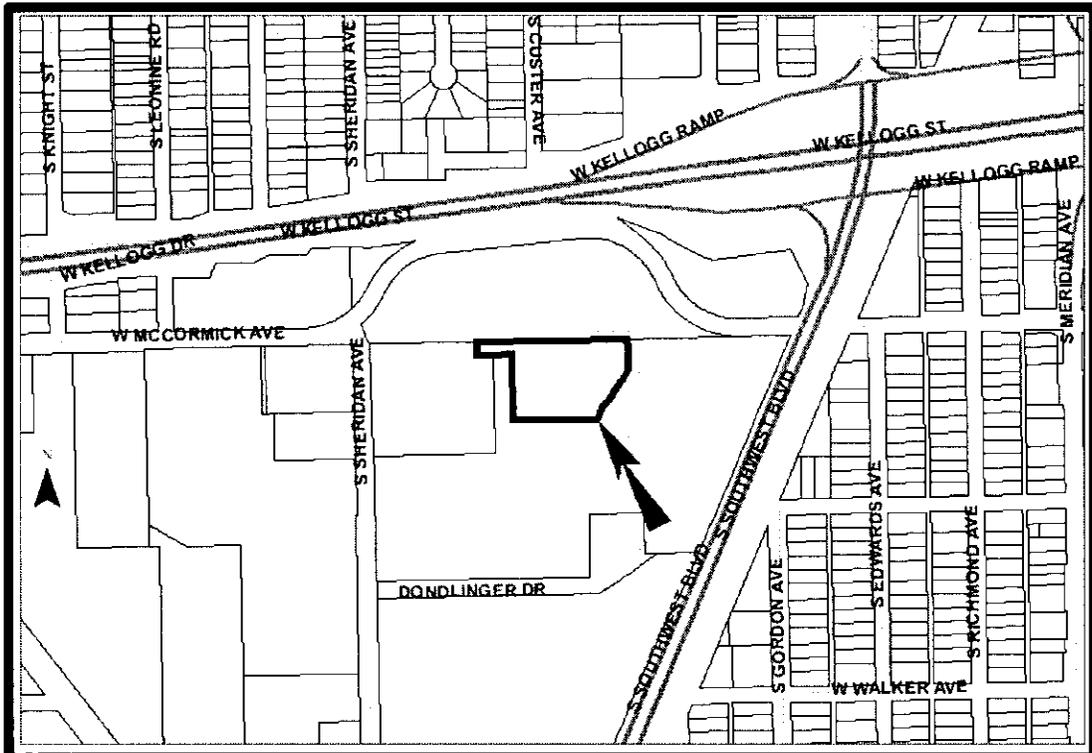

SUBJECT: ZON2007-21 – Zone change from “B” Multi-family Residential to “U” University; generally located south of McCormick Avenue between Southwest Boulevard/K-42 and Sheridan Avenue. (District IV)

INITIATED BY: Metropolitan Area Planning Department *JLS*

AGENDA: Planning (Consent)

MAPC Recommendations: Approve (11-0).

MAPD Staff Recommendations: Approve.

Background: The applicant requests “U” University zoning on Lot 1, Block A, Newman University 3rd Addition. The site is currently being developed as another building for university uses. The site is owned by Newman University, whose campus grounds are on both sides of Sheridan Avenue, south of Kellogg/US-54, west of Southwest Boulevard/K-42, and ending on its south side with property owned by the “Adores of the Blood of Christ” religious order. Most of the Newman University campus is zoned “B” Multi-family Residential and developed with buildings containing administration offices, classrooms and other uses associated with a small college. Playing fields, zoned “SF-5” Single-family Residential, used by the university’s sports teams are located west, across Sheridan Avenue, from the site. A portion of Newman University, currently being developed as student housing, was approved for “U” zoning by the MAPC on November 6, 2006 (ZON2006-41).

The proposed zone change, from “B” to “U,” and the proposed development, would require conformance to all property development standards in the Wichita-Sedgwick County Unified Zoning Code.

Analysis: There were no speakers in opposition to the request at the MAPC meeting on June 7, 2007. The MAPC voted unanimously (11-0) to recommend approval of the zone change. No protest petitions have been submitted and staff has received no telephone calls protesting the proposed zone change.

Financial Considerations: None.

Goal Impact: Promote Economic Vitality and Affordable Living.

Legal Considerations: The ordinance has been reviewed and approved as to form by the Law Department.

Recommendation/Actions:

1. Concur with the findings of the MAPC and approve the zone change; place the ordinance establishing the zone change on first reading; or
2. Return the application to the MAPC for reconsideration.

(An override of the Planning Commission’s recommendation requires a two-thirds majority vote of the City Council on the first hearing.)
