**City of Wichita  
City Council Meeting  
December 18, 2007**

**TO:** Mayor and City Council

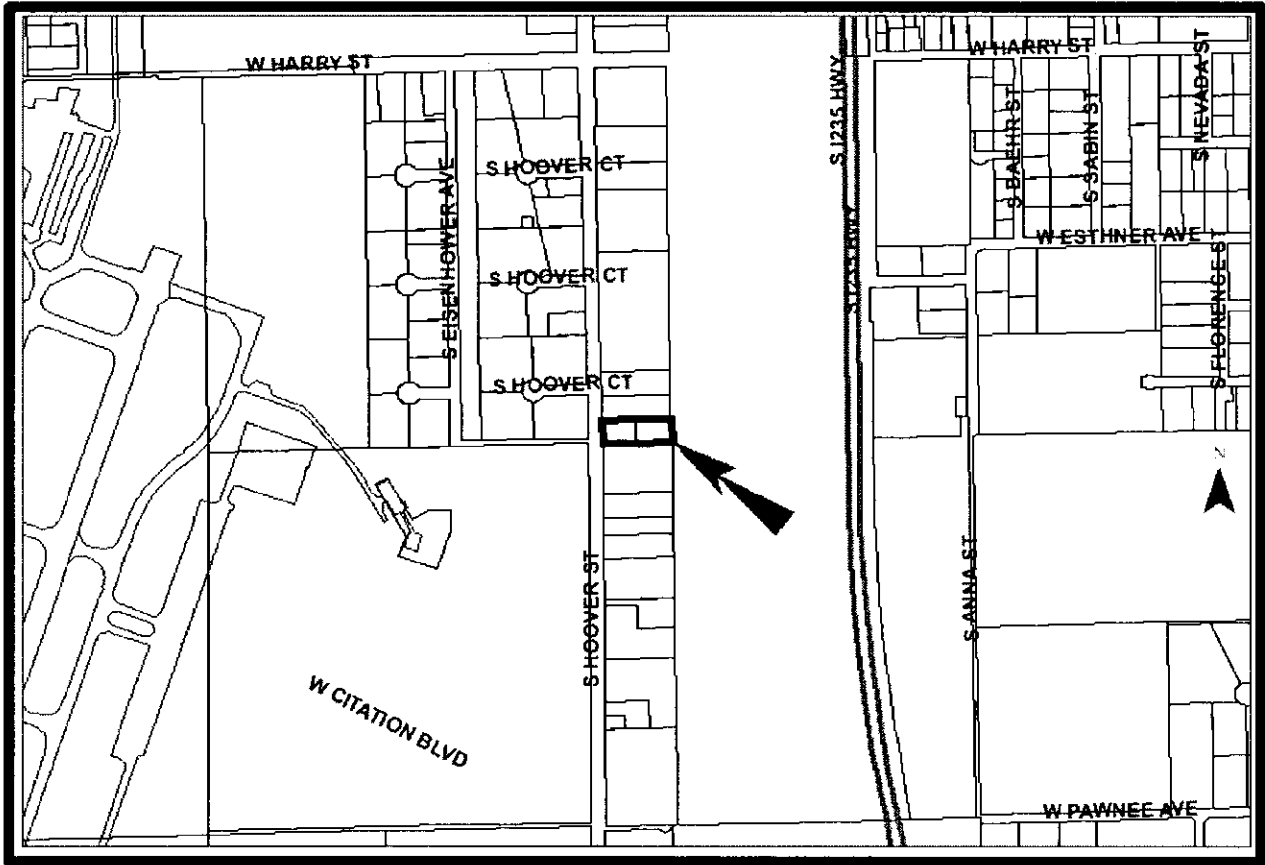

**SUBJECT:** ZON2007-00051 – Zone change from “SF-5” Single-Family Residential to “LI” Limited Industrial. Generally located ½ mile south of the intersection of South Hoover and West Harry. (District IV)

**INITIATED BY:** Metropolitan Area Planning Department *JLS*

**AGENDA:** Planning (Consent)

**MAPC Recommendation:** Approval, vote 10-0.

**MAPD Staff Recommendation:** Approval

**Background:** The applicant requests a zone change from “SF-5” Single-Family Residential to “LI” Limited Industrial on two unplatted lots totaling 1.70-acres located ½ mile south of the intersection of South Hoover and West Harry; the subject property is currently undeveloped. The applicant proposes to develop the property with an industrial building.

The surrounding area is characterized primarily by industrial uses; although, there is an SF-5 zoned lot south of the site. Further north on Hoover, towards the Harry intersection, are industrial uses zoned LI. The property to the west is zoned “LI” Limited Industrial and developed with warehousing and aviation uses. Directly to the east is the Wichita-Valley Center Flood Control Project.

Because property to the south is zoned residential, screening will be required along that property line. The compatibility setback standards will require a 25-foot building setback along the south property line unless a Zoning Adjustment is granted by the Planning Director and Zoning Administrator to reduce or waive the compatibility setback. Because the property to the south is zoned residential, a landscape buffer will be required when the site is developed; a landscape plan will require approval by the Planning Department.

**Analysis:** At the MAPC meeting held November 15, 2007, the MAPC voted (10-0) to approve subject to staff recommendation. No citizens were present to speak and no protests have been received.

**Financial Considerations:** None.

**Goal Impact:** Promote Economic Vitality.

**Legal Considerations:** The ordinance has been reviewed and approved as to form by the Law Department.

**Recommendation/Actions:**

1. Adopt the findings of the MAPC and approve the zone change subject to platting within one year; instruct the Planning Department to forward the ordinance for first reading when the plat is forwarded to City Council; or
2. Return the application to the MAPC for reconsideration.

(An override of the Planning Commission’s recommendation requires a two-thirds majority vote of the City Council on the first hearing.)
