One significant change in the conditions would limit any individual business, except for a grocery store, furniture store or hotel use, to a maximum floor area of 50,000 square feet. This would not permit large department stores and similar uses that tend to serve more of a regional market.

Recommendations/Actions:

1. Concur with the findings of the MAPC and approve the zone change and C.U.P., subject to the recommended conditions; instruct the Planning Department to forward the ordinance for first reading when the plat is forwarded to the City Council; or
2. Return the applications to the MAPC for reconsideration, stating reasons.

SUBJECT: DP-191 - WILSON PROPERTY COMMERCIAL COMMUNITY UNIT PLAN; AND

Z-2886 - ZONE CHANGE FROM THE "AA" ONE-FAMILY DWELLING DISTRICT TO THE "LC" LIGHT COMMERCIAL DISTRICT, LOCATED AT THE SOUTHEAST CORNER OF 21ST STREET NORTH AND ROCK ROAD (District #2).

INITIATED BY: Metropolitan Area Planning Department

AGENDA ACTION: Planning

MAPC Recommendation: Approve subject to conditions (7-0).

Staff Recommendation: Approve subject to conditions.

CPO Recommendation: CPO Council 2A recommended approval by a vote of 6-1.

Background: The applicant is requesting approval of a commercial community unit plan and an associated zone change request for a 9.4-acre unplatted and undeveloped tract of land on the southeast corner of 21st Street North and Rock Road. This property is a portion of the Wilson Estates used as a horse farm. The "LC" rezoning request is for a 2.86-acre portion of the property that is presently zoned the "AA" One-Family Dwelling District.

A development plan proposal (DP-180 - ROCK ROAD WAL-MART COMMERCIAL COMMUNITY UNIT PLAN) and an associated zone change request (Z-2886) were filed on this property on October 26, 1987. After public hearings and recommendations by the Metropolitan Area Planning Commission, the Wichita City Council took action to deny the requests on May 3, 1988. The applicant appealed the City Council's decision on the zone change request to the District Court. The District Court found in favor of the applicant and directed that the zone change request be reconsidered by the Wichita City Council. Both parties agreed to consideration of this new development plan proposal (DP-191 - WILSON PROPERTY COMMERCIAL COMMUNITY UNIT PLAN) for the tract, along with the reconsideration of zone change request. No one spoke in opposition to the case.

The C.U.P. proposal is divided into four (4) parcels proposing a total of 148,500 square feet of maximum gross floor area for commercial and office uses. Some of the proposed uses are financial institutions, service station with associated car wash, retail shops, restaurants, medical or dental offices or clinics, tire/battery/accessory stores, clothing store, hardware stores, appliance stores, furniture stores, shoe stores, barber shops, beauty shops, grocery stores, theaters, hotels, day care
