- CASE NUMBER:** CON2018-00028
- APPLICANT/OWNER:** Kortney and Tammy Capello
- REQUEST:** Conditional Use request for an accessory apartment
- CURRENT ZONING:** SF-5 Single-Family Residential
- SITE SIZE:** 0.18 acre
- LOCATION:** Generally located south of East Harry Street South and east of South Washington Avenue (1710 S. Ida Ave.)
- PROPOSED USE:** Accessory Apartment

BACKGROUND: The applicant is requesting a Conditional Use to build a 12-foot by 24-foot addition to an existing detached garage for an accessory apartment. The site is currently developed with a single-family home and a detached garage.

The surrounding properties are zoned TF-3 Two-Family Residential to the north, west and south developed with single-family detached dwellings. East of the subject site is B Multi-Family Residential zoning developed with single-family detached dwellings.

The applicant submitted the attached site plan showing the location of the existing residence and existing detached garage showing the proposed addition.

The Wichita-Sedgwick County Unified Zoning Code (“UZC”) defines an “accessory apartment” (Art. II. Sec. II-B.1.b) as a dwelling unit that may be wholly within, or may be detached from a principal single-family dwelling unit. Accessory apartments are also subject to supplementary use regulation Art. III. Sec. III-D.6.a (1) a maximum of one accessory apartment may be allowed on the same lot as a single-family dwelling unit that may be within the main building, within an accessory building or constructed as an accessory apartment; (2) the appearance of an accessory apartment shall be compatible with the main dwelling unit and with the character of the neighborhood; (3) the accessory apartment shall remain accessory to and under the same ownership as the principal single-family dwelling unit, and the ownership shall not be divided or sold as a condominium and (4) the water and sewer service provided to the accessory apartment shall not be provided as separate service from the main dwelling. Electric, gas, telephone and cable television utility service may be provided as separate utility services.

CASE HISTORY: The subject property is located in Ranson and Kays 3rd Addition, which was platted in March 1887. BZA2011-48 was approved for an interior side yard setback reduction from 6-feet to 5-feet for a carport.

ADJACENT ZONING AND LAND USE:

NORTH:	TF-3	Single-Family residences
SOUTH:	TF-3	Single-Family residences
WEST:	TF-3	Single-Family residences
EAST:	B	Single-Family residences and one four-plex

PUBLIC SERVICES: South Ida Avenue is a local, residential paved street with 60 feet of right-of-way. Wetmore Street intersects with South Maize Road at two locations. Maize Road is a four-lane paved arterial street with a 100-foot right-of-way and an improved intersections with turn lanes and storm water drainage system.

CONFORMANCE TO PLANS/POLICIES: The adopted Wichita-Sedgwick County Comprehensive Plan, *the Community Investments Plan*, identifies the site as being located within the Established Central Area. The Future Growth Concept Map identifies the area as Residential. Residential areas reflect the full diversity of residential development densities and types typically found in a large urban municipality.

RECOMMENDATION: Based upon information available prior to the public hearings, planning staff recommends that the request be **APPROVED**, with the following conditions:

- (1) The accessory apartment shall remain accessory to and under the same ownership as the principal single-family residence and the ownership shall not be divided or sold as a condominium.
- (2) The water and sewer provided to the accessory apartment shall not be provided as separate services from the main dwelling. Electric, gas, telephone and cable television utility service may be provided as separate utility services.
- (3) The applicant shall obtain all applicable permits including, but not limited to: building, health and zoning.

This will include turning in plans for review and approval by the MABCD for the addition to the detached garage for the accessory apartment.

- (4) Development and maintenance of the site shall be in conformance with the approved site plan.
- (5) If the accessory apartment is not in place within 12 months after final approval, or if the Zoning Administrator finds that there is a violation of any of the conditions of the Conditional Use, the Zoning Administrator, in addition to enforcing the other remedies set forth in Article VIII of the Unified Zoning Code, may, with the concurrence of the Planning Director, declare that the Conditional Use is null and void.

This recommendation is based on the following findings:

- (1) **The zoning, uses and character of the neighborhood:** The subject site is located in a TF-3 zoned district 25-foot wide and 140-foot deep lots. Development in the area consists of single-family residences.
- (2) **The suitability of the subject property for the uses to which it has been restricted:** The subject site is currently zoned TF-3 which permits the existing single-family residence. The property will continue to be used for one single-family residence; the size of the property easily accommodates an accessory apartment and the additional required parking space.
- (3) **Extent to which removal of the restrictions will detrimentally affect nearby property:** Approval of the request should not detrimentally impact nearby properties. The conditions of approval should minimize any anticipated detrimental impacts.
- (4) **Conformance of the requested change to the adopted or recognized Comprehensive Plan and policies:** The adopted Wichita-Sedgwick County Comprehensive Plan, *the Community Investments Plan*, identifies the site as being located within the Established Central Area. The Future Growth Concept Map identifies the area as Residential. Residential areas reflect the full diversity of residential development densities and types typically found in a large urban municipality.
- (5) **Impact of the proposed development on community facilities:** Community facilities will not be noticeably impacted by the conversion of the detached garage into an accessory apartment. All utilities are available to the site.
