Staff Recommendation: Approve subject to conditions

CPO Recommendation: Council "5B" recommends approval (3-2)

Background: On July 7, 1988, the MAPC held a public hearing to consider a request for approval of a commercial community unit plan and an associated zone change request for an unplatted 15.33-acre tract of land on the southwest corner of Maple and Maize Road. The "LC" Light Commercial zoning request is for 2.0 acres of property zoned "AA" One-family Dwelling District within the site. The "BB" Office District zoning request is for a 5.7-acre portion of the site currently zoned the "AA" One-family Dwelling District. The balance of the 15.38-acre site is presently zoned the "LC" Light Commercial District.

The C.U.P. proposes to divide the tract into three parcels for future development. Parcels 1 and 2 are proposed to have a combined maximum gross floor area of 133,350 square feet for retail, financial, office, restaurant, and personal service uses. Parcel No. 3 is proposed to have a maximum gross floor area of 96,800 square feet for professional, medical and dental offices, clinics and laboratories and personal services. An alternate use proposed for Parcel No. 3 includes a nursing and adult day care center.

The property included in the C.U.P. proposal backs on to property to the west and south that is in the process of being reviewed for development purposes. A residential development plan entitled Summerfield III (DP-185) and an associated zone change request (A-2919) have been submitted and were scheduled for concurrent consideration during the July 7, 1988 MAPC meeting.
