# STAFF REPORT

MAPC: July 12, 2018  
DAB IV: August 6, 2018 (only if protested)

**CASE NUMBER:** CON2018-00027

**OWNER/APPLICANT:** House of Faith Ministries Church

**AGENT:** Shakeena Chambers

**REQUEST:** Conditional Use for Daycare, General

**CURRENT ZONING:** TF-3

**SITE SIZE:** 0.32 acre

**LOCATION:** North of U.S. Hwy 54 on the west side of Edwards Avenue (545 S. Edwards Avenue)

**PROPOSED USE:** Daycare, General

**BACKGROUND:** The applicant is requesting a “conditional use” to allow a daycare for 12 or fewer children with a maximum of five (5) staff persons not operated as a home occupation. The site is located north of U.S. Hwy 54 and west of South Edwards Avenue on the northwest corner of West University Avenue and South Edwards Avenue (545 S. Edwards Avenue). The subject site is developed with a one-story brick church with a sanctuary and education wing, built in 1977 and is currently used as a place of worship.

The applicant’s site plan shows the existing church and parking area. Seven (7) parking spaces are required for the daycare center. A total of 29 on-site parking spaces are provided. The Unified Zoning Code (UZC) requires one space for each teacher/employee, one space for each vehicle used for the operation of the daycare and one space for the first 12 children with an additional one space per 10 additional children.

Property surrounding the site is SF-5 Single-Family Residential and TF-3 Two-Family Residential developed with single-family residences and duplexes.

**Day Care, General** means a Day Care center that provides care, protection and supervision for more than ten individuals at any one time, including those under the supervision or custody of the day care provider and those under the supervision or custody of employees, or a Day Care center for ten or fewer individuals at any one time that is not operated as a Home Occupation.

**CASE HISTORY:** The site was platted as lots 205, 207, 209, 211, 213 and 215, Edwards Avenue, Martinson’s 5<sup>th</sup> Addition in 1886. The addition was annexed into the city between 1910 and 1919

**ADJACENT ZONING AND LAND USE:**

|        |      |   |
|--------|------|---|
| NORTH: | TF-3 | Single-family and two-family residences |
| SOUTH: | TF-3 | Single-family and two-family residences |
| EAST:  | TF-3 | Single-family and two-family residences |
| WEST:  | SF-5 | Single-family residences                |

**PUBLIC SERVICES:** The subject property has direct access to South Edwards Avenue, a local collector street with two lanes of traffic in each direction; and West University Avenue, a two-lane local street, south of the subject site. Municipal water and sewer services and all other utilities are currently provided to the subject property.

**CONFORMANCE TO PLANS/POLICIES:** The adopted Wichita-Sedgwick County Comprehensive Plan, the *Community Investments Plan*, identifies the site as within the Established Central Area - the downtown core and mature neighborhoods surrounding it in a roughly three-mile radius. The Plan encourages infill development within the Established Central Area that maximizes public investment in existing and planned infrastructure and services. The Future Growth Concept Map identifies the area “Residential.” This proposed project is in conformance with the Community Investment Plan.

**RECOMMENDATION:** Based on the information available prior to the public hearing, MAPD staff recommends the application be APPROVED.

The staff’s recommendation is based on the following findings:

1. **The zoning, uses and character of the neighborhood:** Property surrounding the site is TF-3 Two-Family Residential developed with single-family residences.
2. **The suitability of the subject property for the uses to which it has been restricted:** The

property is zoned TF-3. The Unified Zoning Code (UZC) allows a conditional use for Daycare, General within residential zoning districts. The site has sufficient parking to accommodate the daycare use.

3. **Extent to which removal of the restrictions will detrimentally affect nearby property:** A daycare at this location will not negatively impact residential use in the area.
  
4. **Conformance of the requested change to adopted or recognized Plans/Policies:** The adopted Wichita-Sedgwick County Comprehensive Plan, the *Community Investments Plan*, identifies the site as within the Established Central Area - the downtown core and mature neighborhoods surrounding it in a roughly three-mile radius. The Plan encourages infill development within the Established Central Area that maximizes public investment in existing and planned infrastructure and services. The Future Growth Concept Map identifies the area "Residential." This proposed project is in conformance with the Community Investments Plan.
  
5. **Impact on Community Facilities:** All public facilities are available and existing road facilities are adequate.
