CASE NUMBER: CON2017-00034

APPLICANT/AGENT: Alan Hsu

REQUEST: Conditional Use to allow vehicle and equipment sales in a Limited Commercial zone district.

CURRENT ZONING: LC Limited Commercial

SITE SIZE: 0.62 acres

LOCATION: Generally located west of South Clifton Avenue and East 31st Street South (3205 East 31st Street South)

BACKGROUND: This application requests a Conditional Use Permit to allow vehicle and equipment sales at 3205 East 31st Street South. The site is zoned LC Limited Commercial and sits at the intersection of East 31st Street South and South Hillside Avenue. The applicant seeks to repair the property and operate it as an auto sales facility.

The existing parcel is 0.62 acres and currently contains a vacant and boarded-up building. If approved, the applicant intends to repair the building, clean up the property, and establish as auto sales. Preliminary site plans include a controlled access barrier onto South Holyoke Circle. Existing landscaping and wooden screening fence to the south of the property abutting the residential zoning will remain.

SURROUNDING DEVELOPMENT: To the north, across East 31st Street South, is a vacant gas station. To the south is a duplex residential development. To the east, across South Holyoke Circle is a large senior residence facility. To the west is a small event center.

CASE HISTORY: The property is platted as Lot 1 of P and L Addition, 5 May 1977.

ADJACENT ZONING AND LAND USE:

NORTH: LC; limited commercial
SOUTH: MF-18; multi-family residential
EAST LC; limited commercial
WEST: LC; limited commercial

PUBLIC SERVICES: East 31th Street South is a fully improved arterial street. All municipal utilities are available at the property.

CONFORMANCE TO PLANS/POLICIES: The Community Investment Plan depicts the subject site as appropriate for “commercial uses.” The proposed use is consistent with the depicted category for this area.

RECOMMENDATION: Based upon information available prior to the public hearings, planning staff recommends that the request be **APPROVED**, subject to the following conditions:

- a. The site is to be developed as shown on the plan provided to the Planning Department on September 13, 2017.
- b. Any changes to the site or screening design, the size of the area to be developed, or the location of development will require review by the Planning Department.
- c. If the Zoning Administrator finds that there is a violation of any of the conditions of the Conditional Use, the Zoning Administrator, in addition to enforcing the other remedies set forth in the Unified Zoning Code, may, with the concurrence of the Planning Director, declare that the Conditional Use is null and void.

This recommendation is based on the following findings:

- (1) **The zoning, uses and character of the neighborhood:** The intended use is compatible with the neighborhood. To the north, across East 31st Street South, is a vacant gas station. To the south is a duplex residential development. To the east, across South Holyoke Circle is a large senior residence facility. To the west is a small event center.

- (2) **The suitability of the subject property for the uses to which it has been restricted:** The site is currently zoned LC Limited Commercial, but has sat vacant and boarded up for some time.
- (3) **Extent to which removal of the restrictions will detrimentally affect nearby property:** The existing property has been vacant for some time. The site will be screened appropriately and there should be no discernable negative effects on nearby residents.
- (4) **Conformance of the requested change to the adopted or recognized Comprehensive Plan and policies:** The Community Investment Plan depicts the subject site as appropriate for “commercial uses.” The proposed use is consistent with the depicted category for this area.
- (5) **Impact of the proposed development on community facilities:** Existing municipal facilities are in place.
