The West 466.69 feet of the Northeast Quarter of Section 22, Township 28 South, Range 1 West of the 6<sup>th</sup> P.M., Sedgwick County, Kansas; generally on the south side of West 47<sup>th</sup> Street South, approximately one-half mile west of South Hoover Road (6231 W. 47<sup>th</sup> Street South)

**CASE NUMBER:** CON2019-00017

**APPLICANT/AGENT:** Greenwood Cemetery (Owner)/ Certified Engineering Design, Logan Mills (Agent)

**REQUEST:** Conditional Use to Permit an Existing Non-Conforming Cemetery

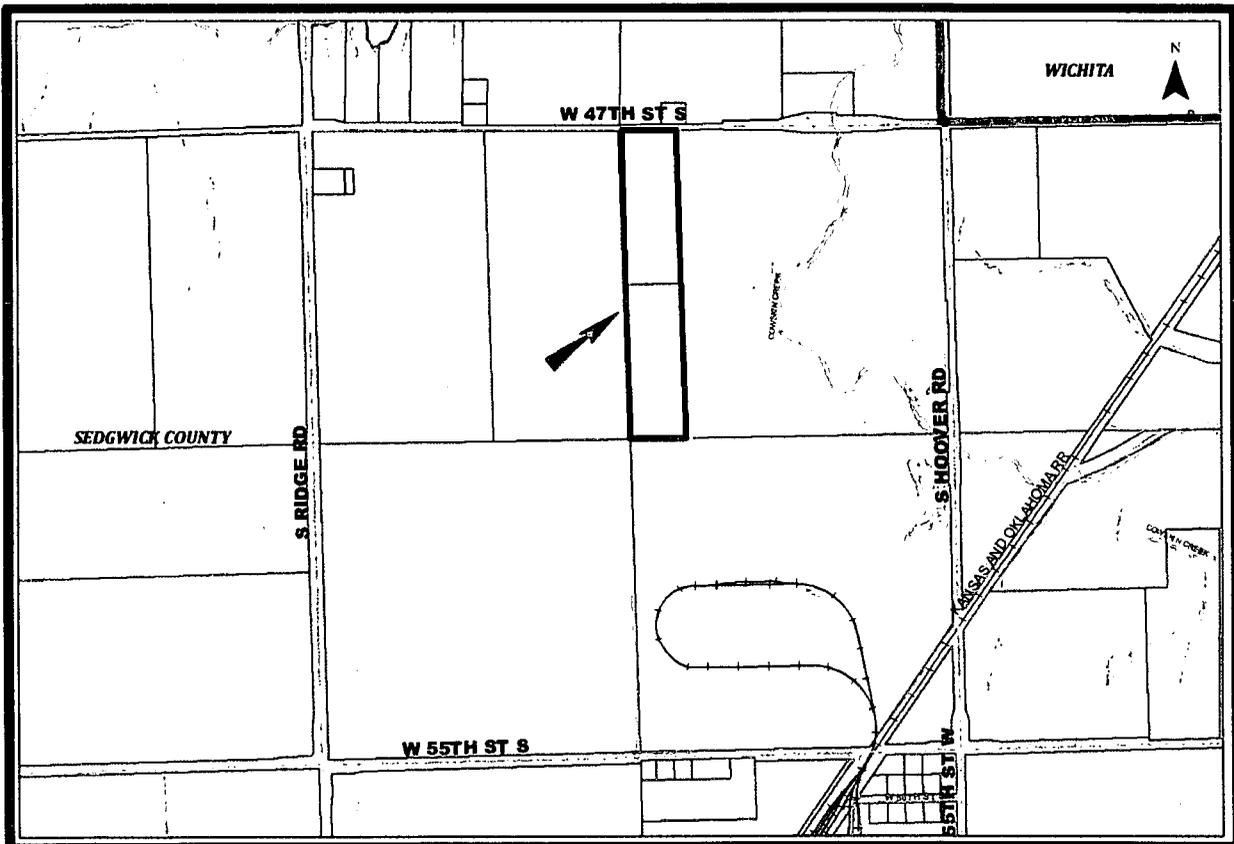

**CURRENT ZONING:** SF-20 Single-Family Residential

**SITE SIZE:** 28.71 acres

---

**LOCATION:** Generally located on the south side of West 47<sup>th</sup> Street South and approximately one-half mile west of South Hoover Road (6231 West 47<sup>th</sup> Street South)

**PROPOSED USE:** Cemetery

3. The site of the cemetery maintenance building shall be platted in accordance with Metropolitan Area Building and Construction Department (MABCD) requirements for on-site septic system.
4. If the Zoning Administrator finds that there is a violation of any of the conditions of the Conditional Use, the Zoning Administrator, in addition to enforcing the other remedies set forth in Article VIII of the Unified Zoning Code, may, with the concurrence of the Planning Director, declare that the Conditional Use is null and void.

This recommendation is based on the following findings:

1. **The zoning, uses and character of the neighborhood:** The cemetery is surrounded on the east, west and south by agricultural land. There is one single-family residence with agricultural buildings north of the subject site.
2. **The suitability of the subject property for the uses to which it has been restricted:** The site is zoned SF-20, and has been in continuous use as a cemetery since 1877. A cemetery can be considered with a Conditional Use application in a SF-20 zoning district.
3. **Extent to which removal of the restrictions will detrimentally affect nearby property:** The proposed cemetery should have no adverse impact on nearby properties. The cemetery would be a low traffic volume use and should not generate any external factors that would be objectionable to adjoining property owners.
4. **Conformance of the requested change to the adopted or recognized Comprehensive Plan and policies:** The adopted Wichita-Sedgwick County Comprehensive Plan, the *Community Investments Plan*, identifies the site as "Wichita Growth Area." The Future Land Use Plan of the Comprehensive Development Plan designates the site for agricultural uses.
5. **Impact of the proposed development on community facilities:** The cemetery should not have any negative impact on community facilities due to its low traffic generation and minimal demand for services.
