TO: Mayor and City Council Members

SUBJECT: Z-3096 - ZONE CHANGE FROM "A" TWO-FAMILY DISTRICT TO  
THE "C" COMMERCIAL DISTRICT, LOCATED 375 FEET EAST OF  
K-15 ON THE NORTH SIDE OF BLAKE STREET.  
(District #3)

INITIATED BY: Metropolitan Area Planning Department 

AGENDA ACTION: Planning

-----  
MAPC Recommendation: Approve (11-0).

Staff Recommendation: Approve.

CPO Recommendation: CPO Council Area "3" voted 6-1-1 to  
recomend approval of the application.

Background: On June 17, 1993, the MAPC considered a zone change from the "A" Two Family to the "C" Commercial District for a .2 acre platted tract generally located east of K-15 on the north side of Blake. The applicant intends to build a warehouse for use with an adjacent carpet store on the property. A single family home currently exists on the property.

Surrounding property to the north and east is currently zoned "A" Two Family and is developed with single family uses. Property to the south is currently zoned "LC" Light Commercial and, is developed with Midwest TV & Appliance. The applicants existing carpet center is located to the west on property zoned "C" Commercial.

The 1978 Comprehensive Plan depicts this area for residential uses. The proposed 1992 Comprehensive Plan indicates this area for high density residential uses. The requested change will created a depth of commercial zoning equal to the existing commercial zoning along the south side of Blake. In addition, the surrounding residential uses to the east and north do not face into the proposed zoning area and would be screened from the zoning district as required by the zoning regulations. Finally, the MAPC and City Council have had an informal policy for many years of giving favorable consideration to the expansion of existing businesses.
