- CASE NUMBER:** ZON2019-00046
- APPLICANT/AGENT:** Fisel Corporation (owner)/ Jimmy L. Warner, Jr. (agent)
- REQUEST:** TF-3 Two-Family Residential with D-O Delano Overlay
- CURRENT ZONING:** SF-5 Single-Family Residential with D-O Delano Overlay
- SITE SIZE:** 0.18 acre
- LOCATION:** Located southeast of the intersection of South Meridian Avenue and West Douglas Avenue on the east side of South Sedgwick Street
- PROPOSED USE:** Duplex

BACKGROUND: The applicant/owner is requesting the rezoning of Lots 16 & 17, Block 2, Martinson's 9th Addition (122 South Sedgwick Street) from SF-5 Single Family Residential (SF-5) to TF-3 Two Family Residential (TF-3). The property has been vacant since 2017. TF-3 zoning district requires a 25-foot front setback and a 20-foot rear setback. The property is approximately 8,115 square feet, with 50 linear feet of frontage along South Sedgwick Street. The Unified Zoning Code (UZC) requires a minimum of 6,000 square feet per duplex building.

The subject property is located in the Delano Overlay Zoning District (DR2002-00011) which requires architectural review to ensure materials are compatible with surrounding structures. The site plan submitted by the applicant shows the new duplex structure oriented to South Sedgwick Street with the driveway and the new garage at the rear of the lot along the north property line. This configuration is typical of the residential development in the neighborhood (see attached site plan).

Properties north, south, east and west of the subject site are zoned SF-5 and are developed with one-story and two-story single-family residences. There is TF-3 zoning within three (3) blocks of the subject site (see attached zoning map).

CASE HISTORY: The subject site is located in the Martinson 9th Addition, platted in July 1919. No other zoning cases are associated with this site.

ADJACENT ZONING AND LAND USE:

| | | |
|--------|------|--------------------------|
| NORTH: | SF-5 | Single-family residences |
| SOUTH: | SF-5 | Single-family residences |
| EAST: | SF-5 | Single-family residences |
| WEST: | SF-5 | Single-family Residences |

PUBLIC SERVICES: South Sedgwick Street is a local paved street with a 60-foot right-of-way with access to West Douglas Avenue. The sewer line is located along the east (rear) property line and the water line is located on the west side of South Sedgwick Street at the front of the property.

CONFORMANCE TO PLANS/POLICIES: The Wichita-Sedgwick County *Community Investments Plan*, identifies the subject site as being located in the Established Central Area. The site is also located within the urban infill strategy area, where residential development is encouraged. The uses envisioned for redevelopment in this area include duplexes. The Community Investments Plan identifies the property as appropriate for residential and defines residential as a variety of housing types including duplexes.

RECOMMENDATION: Based upon the information available at the time the staff report was completed, staff recommends APPROVAL of the request, as submitted.

1. The zoning, uses and character of the neighborhood: Properties north, south, east and west of the subject site are zoned SF-5 and are developed with single-family residences. There is TF-3 zoning within three (3) blocks of the subject site.
2. The suitability of the subject property for the uses to which it has been restricted: The property is presently zoned SF-5 Single Family Residential and the property could be developed with a new single-family dwelling; however, the Community Investments Plan encourages a variety of housing types, including duplexes.
3. Extent to which removal of the restrictions will detrimentally affect nearby property: Most platted subdivisions that were platted prior to 1950 have a mix of single-family residences and duplexes. Because of the similarity of residential use, the UZC does not require screening between SF-5 and

TF-3 zoning districts. The zone change will not affect the architectural and site plan review as required in the D-O Delano Overlay Zoning District.

4. Length of time the property has been vacant as currently zoned: The subject site has been a vacant lot since 2017.
5. Conformance of the requested change to the adopted or recognized Comprehensive Plan and policies: The Wichita-Sedgwick County Comprehensive Plan, the *Community Investments Plan*, identifies the area in which the site is located as appropriate for residential uses within the Wichita city limit. The Community Investments Plan identifies the property as appropriate for residential and define residential as a variety of housing types including duplexes.
6. Impact of the proposed development on community facilities: Development of the property would not have any impact on community facilities or resources. All public improvements are available to serve the property.
