

Planning Agenda Item # _____

City of Wichita
City Council Meeting
March 8, 1994

Agenda Report # _____

TO: Mayor and City Council Members

SUBJECT: Z-3117 - ZONE CHANGE FROM THE "AA" ONE FAMILY DWELLING DISTRICT TO THE "G" MANUFACTURED HOME DISTRICT, LOCATED AT THE NORTHWEST CORNER OF 47TH STREET SOUTH AND THE KANSAS TURNPIKE. (District #3)

INITIATED BY: Metropolitan Area Planning Department

AGENDA ACTION: Planning

MAPC Recommendation: Approve, subject to platting (12-1).

Staff Recommendation: Approve.

CPO Recommendation: CPO Council Southeast "3" voted 7-1 to recommend approval of the request.

Background: On February 10, 1994, the MAPC considered a zone change from the "AA" One-Family Dwelling District to the "G" Mobile Home District for a 9.31-acre tract at the northwest corner of 47th Street South and the Turnpike. The property owner proposes an expansion of the existing mobile home park located to the west of the site. The site is currently undeveloped. Minimum lot area requirements are 5 acres for mobile home parks in the "G" zoning district.

Surrounding property to the west is zoned "G" Mobile Home District and is currently developed as the Sherwood Acres Mobile Home Park. The property to the north is zoned "G" Mobile Home District and is currently developed as the Riverside Mobile Home Park. The Kansas Turnpike bounds this property to the east with industrial uses located on "E" Light Industrial zoned land on the east side of the Turnpike. Single family homes are located to the south of this property and are zoned "AA" Single Family.

Access to the site is currently available only from the south off of 47th Street South. Access from the west, north, and east is currently not available. However, it would be desirable to gain access from the Sherwood Acres Mobile Home Park located to the west if the proposed project is to be developed under single ownership. As a part of the platting procedure, the applicant will be required to submit a preliminary development plan.

Recommendations/Actions:

1. Concur with the findings of the MAPC and approve the zone change, subject to the condition of platting; instruct the Planning Department to forward the ordinance for first reading when the plat is forwarded to the City Council; or
2. Return the application to the MAPC for reconsideration.

(An override of the Planning Commission's recommendation requires a 2/3rd majority vote of the membership of the governing body on first reading).
