Agenda Report # _____

TO: Mayor and City Council Members

SUBJECT: Z-3241 - ECK & ECK MACHINE CO., INC. (PROPERTY OWNER/
APPLICANT); MATT ECK REAL ESTATE (PROPERTY OWNER/
APPLICANT); TERRY SMYTHE, BAUGHMAN CO. (AGENT),
REQUEST ZONE CHANGE FROM "SF-6" SINGLE-FAMILY
RESIDENTIAL TO "LI" LIMITED INDUSTRIAL, LOCATED NORTH OF
HARRY, WEST OF SABIN (4530 W. HARRY).

(DISTRICT #4)

INITIATED BY: Metropolitan Area Planning Department *Mc DM*

AGENDA ACTION: Planning

MAPC Recommendation: Approve, subject to platting within 1 year (9-0).

CPO Recommendation: Approve, subject to staff recommendations (7-0).

Staff Recommendation: Approve, subject to platting within 1 year.

Background: The applicant requests a zone change from "SF-6" Single-Family Residential to "LI" Limited Industrial on a 3.9 acre unplatted tract located north of Harry, in an area west of Sabin (4530 W. Harry).

The applicants own and operate a business located adjacent to the southeast of the application area on property zoned "LI" Limited Industrial. The application states that the requested zone change is for the expansion of the existing Eck & Eck Machine Co., Inc (zoned and platted in the fall of 1969). There is an existing house on the site proposed for rezoning, with more homes further to the west on the north side of Harry.

The surrounding area holds a mix of industrial, residential, and public land uses. The request would expand the existing "LI" zoning located immediately east and south of the subject property (part of which is owned by the applicants). The area immediately to the north is undeveloped and zoned "SF-

6" Single-Family Residential, with a residence to the northeast on property also zoned "SF-6" Single-Family Residential. Across Harry to the south is various commercial and industrial uses on property zoned "LI".

To the north and northwest of the application area is a large, open detention pond owned by the City of Wichita (condemned in December of 1983 for water detention) and to the west is undeveloped property also owned by the City of Wichita. All three tracts total nearly 12.7 acres.

After limited discussion of this matter, the MAPC voted (9-0) to approve the request as recommended by staff.

Recommendation:

1. Concur with the findings of the MAPC and approve the zone change, subject to the condition of platting; instruct the Planning Department to forward the ordinance for first reading when the plat is forwarded to the City Council; or
2. Return the application to the MAPC for reconsideration.

(An override of the Planning Commission's recommendation requires a 2/3rd majority vote of the membership of the governing body on the first hearing.)
