City of Wichita
City Council Meeting

Agenda Report # _____

TO: Mayor and City Council Members

SUBJECT: Z-3218 MCDONALDS CORPORATION REQUESTS ZONE CHANGE FROM "TF-3" TWO-FAMILY RESIDENTIAL TO "GO" GENERAL OFFICE DISTRICT, LOCATED WEST OF HILLSIDE, SOUTH OF ELM (535 N. HILLSIDE)

(DISTRICT #1)

INITIATED BY: Metropolitan Area Planning Department *JK*

AGENDA ACTION: Planning

MAPC Recommendation: Approve (14-0).

Staff Recommendation: Approve.

Background: The applicant requests a zone change from "TF-3" Two-Family Residential to "GO" General Office for a 0.05 acre portion of Lots 102, 104, and 106 on Lorraine Avenue in Resurvey of Buck's 2nd Addition, located west of Hillside and south of Elm (535 N. Hillside). The request will standardize the zoning in the immediate area that is predominately "LC" Limited Commercial and "GO" General Office, and allow the applicant to use the property for restaurant parking.

The application area is adjacent to an alley and is currently used to store a trash dumpster. There is a medical office building to the west on property zoned "GO" and a McDonald's restaurant under construction to the east on property zoned "LC". To the south are various medical service buildings and restaurants on property zoned "GO" (on the west half of the block) and "LC" (on the east half of the block). Wesley Medical Center is located across Elm to the north and is also zoned "LC" and "GO".

During the Planning Commission's discussion of this matter, questions concerning the current use of the property were asked by the Commission. The agent for the applicant stated that it has been used for parking, and that no one realized that it was zoned "TF-3" until the property was being redeveloped. After discussion, the MAPC voted (14-0) to approve the request as recommended by staff.

Recommendation:

1. Concur with the findings of the MAPC and approve the zone change; place the ordinance establishing the zone change on first reading; or
2. Return the application to the MAPC for reconsideration.

(An override of the Planning Commission's recommendation requires a 2/3rd majority vote of the membership of the governing body on the first hearing.)
