TO: Mayor and City Council Members

SUBJECT: Z-3293 – EXTENSION OF TIME TO COMPLETE PLATTING REQUIREMENT FOR A ZONE CHANGE FROM “SF-6” SINGLE-FAMILY RESIDENTIAL AND “LC” LIMITED COMMERCIAL TO “GC” GENERAL COMMERCIAL. GENERALLY LOCATED NORTH OF MACARTHUR AND WEST OF SENECA (District #IV)

INITIATED BY: Metropolitan Area Planning Department

AGENDA ACTION: Planning

---

**Staff Recommendation:** Approve six-month extension of time to complete platting.

**Background:** On October 27, 1998, the City Council approved a zone change from “SF-6” Single-Family Residential and “LC” Limited Commercial to “GC” General Commercial on property generally located north of MacArthur and west of Seneca. Approval of the zone change was subject to the condition of platting the property within one year. The final plat of the property was approved by the MAPC on April 15, 1999; however, the applicant indicated an unwillingness to dedicate Martinson Avenue along the west property line and began working with the adjacent property owner to the north to vacate Martinson, which prevented completion the plat prior to the deadline. Therefore, staff approved an extension of time to complete platting to October 27, 2001. The applicant indicates that the process of vacating Martinson was unsuccessful due to the unwillingness of the adjacent property owner to participate in the vacation petition; therefore, the applicant is ready to proceed with completing the plat of the property with the required dedication for Martinson and has requested an additional six-month extension of time to complete platting. MAPC Policy Statement No. 5 indicates that second extensions of time to complete platting require City Council approval.

**Recommendation:**

1. Approve six-month extension of time to complete platting to April 27, 2002; or
2. Deny the extension of time to complete platting and declare the zone change null and void.
