Re: CU-15

Dear Mr. Sherwood:

This is to advise you that at its regular meeting of June 18, 1959 the Metropolitan Area Planning Commission further considered subject conditional use request to establish a borrow pit and sand plant on property south of Harry and east of the Big Ditch. The Planning Commission has deferred further consideration of this matter, until such time as you present to the Commission appropriate evidence showing the need for the land fill, proposed to be extracted from this site.

This matter will be re-scheduled for consideration by the Planning Commission only at such time as appropriate evidence, suggested above, is submitted to the Planning Department for consideration of the Commission. If you have any questions concerning this matter, please do not hesitate to call on us.

Very truly yours,

Leland R. Edmonds  
Senior Planner
