Jack H. Galbraith, Chief Planner

CU-85 - Mrs. W. G. Cummings requests Conditional Use Permit for  
Mobile Home Park at the Northeast corner of Arkansas and 45th  
Street North

The above captioned Conditional Use case was considered and  
approved by the Board of County Commissioners on September  
2, 1965, subject to several conditions, such as complying  
with the County Trailer Code and dedicating additional  
street rights of way. The case has remained opened inas-  
much as the applicant never submitted the necessary  
dedications.

Recently, in attempting to determine the status of old  
files and whether or not there was an interest to com-  
plete the case, we were advised by Mrs. W. G. Cummings,  
the applicant, that she no longer had an interest in  
completing the case and the case could be closed.

This is to advise you and those receiving copies of this  
memorandum that we have marked the case file closed and  
therefore you may desire to make a similar note on the  
resolution you have in your files.

If you have any questions, please call.
