S/D 69-71 - WESTERNAIRE ADDITION

Dear Mr. Wettig:

We are in receipt of your letters of April 19, 1973 requesting that we not close the files associated with the above-captioned cases. I am sorry, but these cases have already been closed. In our letter to Mr. Fralic in March, we advised him that subject cases were closed, as the requirement of platting had not been complied with, nor had we received any responses to complete the plat.

In the event Westview Development, Inc. desires to obtain a Conditional Use in the future, or plat the property, it will be necessary for them to submit new applications. Please advise if we can be of any assistance to them in filing new cases.

Sincerely,

Jack H. Galbraith
Chief Planner
