**VICINITY MAP:**

The applicant is requesting the vacation of the portion of the platted Nelson Street right-of-way abutting his property to the east for the purposes of extending his property for a larger yard. This right-of-way is generally located one-quarter mile east of North West Street and one-quarter mile south of West 13<sup>th</sup> Street North. The applicant's property abuts this right-of-way on the west and is addressed as 3534 West 11<sup>th</sup> Street North. This 30-foot portion of Nelson Street was never constructed. The right-of-way has power poles and an easement shall be dedicated. There is a sewer line that runs east/west at the north end of the right-of-way in question. Any easement retained for the other utilities will provide access to this line as well. Every confirmed the presence of streetlight poles and lines in the area. They request an easement be retained. Richard Aitken is the Area Construction Service Representative for this case and can be contacted at 261-6334 with any questions. The La Placita Park Addition was recorded with the Register of Deeds June 1954.
