Plan

Give me your ideas on how we should propose an extra employee for Home occupation in "AA". I would like a proposal to give to RAL next week.

Suggestions - propose to the PC the following alternatives:

- Permit the outside employee in "AA" that other residential districts are permitted to have.
- Establish only those HO that can have an employee, exclude Beauty, Barber and others.
- B2A in "AA"
- B2A for all districts

File reviews early in the week.

Eddie has set up a DR file.
