Restrictive Covenant associated with Winfield
Addition. Southeast corner of 28th St. North
and Porter

A recently approved and recorded 3 lot residential plat at the southeast corner of 28th Street North and Porter (Winfield Addition) has an associated restrictive covenant affecting Lot 3. Said covenant (copy attached) states that no building permits can be issued for Lot 3, Winfield Addition until the existing shed and dog run are removed. A copy of the sketch plat showing the shed and dog run is also attached. You will note by looking at the recorded plat that there is a contingent street dedication for the area now occupied by this shed and dog run. When these are removed, the dedication of street right-of-way will become effective.

Please note in your files and maps that no permits are to be issued for Lot 3, Winfield Addition until the shed and dog run are removed.

Sincerely yours,

Louise Olivarez

Located on Lot 1 within the contingent street dedication is a detached garage. (The existing house on Lot 1 also has an attached garage). On Lot 3 within the contingent street dedication is a shed and fenced dog run. The Planning staff requested outright street dedications. The Subdivision Committee and Planning Commission recommended acceptance of contingent dedications based upon the City's need for the right-of-way or removal of the structures, whichever occurs first and provided that the property owners pay all costs for removing the structures if they still remain at the time the City needs the right-of-way. Also, a restrictive covenant was required which states that no building permits can be obtained on Lot 3 until the shed and dog run are moved.

The appropriate contingent dedications and restrictive covenant have been submitted.

Planning Commission Recommendation: That this plat be approved subject to recording within 30 days after approval by the Board of City Commissioners.

Cole moved, Barrier seconded and it carried unanimously.

ACTION: Accept the contingent dedications and instruct the City Clerk to file the dedications and the restrictive covenant with the Register of Deeds, the recording costs of which shall be billed to the applicant; approve the plat as approved by the Metropolitan Area Planning Commission and authorize the Mayor to sign.
