Agenda Report # \_\_\_\_\_

**TO:** Mayor and City Council Members

**SUBJECT:** ZON2002-00068 – Zone change from “B” Multi-family Residential to “U” University. Generally located north of Kellogg and east of Meridian (602 S. Everett). (District IV)

**INITIATED BY:** Metropolitan Area Planning Department *DM*

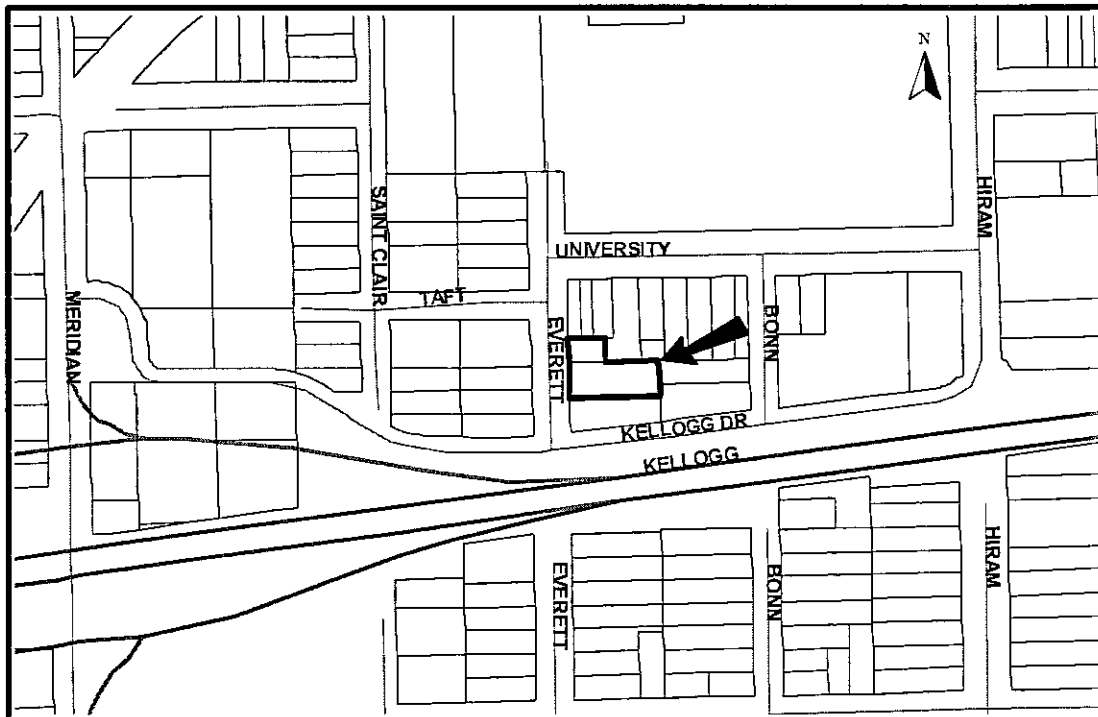

**AGENDA ACTION:** Planning

---

**MAPC Recommendation:** Approve (11-0).

**Staff Recommendation:** Approve.

**D.A.B. Recommendation:** Approve (6-0).

**BACKGROUND:** The applicant requests "U" zoning on a platted, .42-acre site for the construction of a Friends University residence hall. The application area was developed with two single-family residences that were recently demolished. The application area is to be included in the replat of a larger site. The site is on the east side of Everett, north of Kellogg, on the Friends University Campus. All property surrounding the application area is zoned "U" and developed with Friends University uses.

The requested zone change is in conformance with the *Wichita/Sedgwick County Comprehensive Plan*, and is in conformance with the adopted *Delano Neighborhood Revitalization Plan*. The proposed zone change, from "B" to "U", and the proposed development, would require conformance to all property development standards in the *Wichita-Sedgwick County Unified Zoning Code (UZC)*.

At the MAPC meeting held on January 9, 2003, MAPC voted (11-0) to approve the zone change. At the DAB IV meeting held on January 15, 2003, the DAB voted (6-0) to approve the zone change also. No citizens were present to speak at either meeting.

**Recommended Action:**

1. Concur with the findings of the MAPC and approve the zone change; place the ordinance establishing the zone change on first reading; or
2. Return the application to the MAPC for reconsideration.

(An override of the Planning Commission's recommendation requires a 2/3<sup>rd</sup> majority vote of the membership of the governing body on the first hearing.)
