RE: BZA2022-00051 Administrative Adjustment in the City to reduce the parking requirement from 74 to 56 spaces for a manufacturing use on property zoned LI Limited Industrial, located approximately 600 feet north of the South West Street and West Southwest Boulevard Intersection, on the south side of South West Court (2241 S West Court).

Legal Description: The North 273 Feet of Lot 4, Pawnee & West Industrial Park Addition AND Lot 5, Pawnee and West Industrial Park 2nd Addition, Wichita, Sedgwick County, Kansas.

Dear Applicant:

We received and reviewed your request for an Administrative Adjustment to reduce the parking requirements for a manufacturing use located at 2241 South West Court from 74 to 56 spaces (24 percent).

Sec. V-I.2. (i) of the Unified Zoning Code allows reduction of the parking requirement for manufacturing uses by up to 25 percent when the conditions required by Sec. V-I.6 of the Code are met. We find that the parking requirement reduction as proposed meets the four conditions required by Sec. V-I.6 of the Code as set out below:

- 1) Impact on safety and convenience of vehicular and pedestrian circulation: The proposed reduction in parking requirement should have no impact on the safety and convenience of vehicular and pedestrian circulation in the vicinity of the application area.
- 2) Impact on existing uses in surrounding areas: The proposed reduction in parking should not have significant negative impacts the surrounding uses in the immediate area.
- 3) Compatibility with existing or permitted uses on abutting sites: The zoning districts surrounding the subject property are LI Limited Industrial on all sides and developed with industrial and manufacturing uses.
- 4) Effect on public health, safety or welfare: The public's safety, health and welfare should not be impacted.

Our signatures below indicate that an Administrative Adjustment to reduce required parking spaces from 74 to 56 spaces is hereby granted for the aforementioned property subject to the following conditions:

- 1) The site shall be developed in general conformance with the approved site plan.

- 2) This adjustment shall apply only to the reduction of parking spaces for the manufacturing use as shown on the approved site plan. Any additional adjustments on the property will require a separate action to be filed with the MAPD.
- 3) All parking on the site shall be paved and marked in accordance with City standards.
- 4) If the Zoning Administrator finds that there is a violation of any of the conditions of the Administrative Adjustment, the Zoning Administrator, in addition to enforcing the other remedies set forth in the Unified Zoning Code, may, with the concurrence of the Planning Director, declare that the Zoning Adjustment is null and void.

The "Development Application" sign should now be removed from the property.
