Agenda Report No.

TO: Mayor and City Council

SUBJECT: ZON2003-00056 – Zone change from “TF-3” Two-family Residential to “GO” General Office. Generally located at the northwest corner of Waterman and Hillside. (District I)

INITIATED BY: Metropolitan Area Planning Department *JLS*

AGENDA: Planning (Consent)

MAPC Recommendation: Approve, subject to replatting within one year. (12-0)

Staff Recommendation: Approve, subject to replatting within one year.

BACKGROUND: The applicant requests a zone change from "TF-3" Two Family to "GO" General Office on a 0.15 acre platted tract located on the northwest corner of Waterman and Hillside. The subject property is two platted lots and has been undeveloped since the residential structure on the property was razed in the early 1990s. The applicant intends to develop the subject property with an office building.

The surrounding area is characterized by primarily office uses along Hillside, with residential uses located on the interior properties beyond the Hillside frontage. The Hillside frontage between Douglas and Kellogg has been transitioning from residential to non-residential uses since the 1970s. The properties to the north and south are zoned "GO" General Office and are developed with office uses. The property to the east across Hillside is zoned "LC" Limited Commercial and is developed with a convenience store. The properties to the west across are zoned "TF-3" Two Family and are developed with duplexes and single family residences.

No speakers in opposition to the request appeared at the MAPC hearing on November 20, 2003. The MAPC voted (12-0) to recommend approval of the request subject to the condition of replatting the property within one year.

Recommendations:

1. Concur with the findings of the MAPC and approve the zone change subject to the condition of replatting within a year; instruct the Planning Department to forward the ordinance for first reading when the plat is forwarded to the City Council; or
2. Return the application to the MAPC for reconsideration.

(An override of the Planning Commission's recommendation requires a 2/3rd majority vote of the membership of the governing body on the first hearing.)
