Agenda Report # _____

TO: Mayor and City Council Members

SUBJECT: Z-3006 - ZONE CHANGE FROM THE "AA" ONE-FAMILY DWELLING DISTRICT TO THE "BB" OFFICE DISTRICT, LOCATED ON THE NORTH SIDE OF 13TH STREET NORTH, APPROXIMATELY 1,300 FEET EAST OF TYLER ROAD. (District #5)

INITIATED BY: Metropolitan Area Planning Department

AGENDA ACTION: Planning

MAPC Recommendation: Approve (8-0) subject to platting.

Staff Recommendation: Approve subject to platting.

CPO Recommendation: CPO Council "5A" recommended approval (7-0).

Background: On September 13, 1990, the MAPC held a public hearing to consider a zone change request from the "AA" One-Family Dwelling District to the "BB" Office District for a 12-acre unplatted tract of land located on the north side of 13th Street North, 1,300 feet east of Tyler Road. The site has approximately 800 feet of frontage along 13th Street. A hedgerow exists adjacent to the north line of the application area and the applicant owns the unplatted property to the north and east of the subject site. The unplatted strip of property between this site's east line and the subdivision to the east (Westridge Village Addition) has approximately 500 feet of frontage to 13th Street. This appears to be an adequately wide strip of land for the future development of residential uses. A 60-foot-wide Phillips pipeline easement encumbers a portion of the northwest corner of the application area.

In the interest of traffic safety for 13th Street, the Traffic Engineer has suggested that the applicant construct a westbound decel lane on 13th Street adjacent to this site. The purpose of the decel lane will be to accommodate right-hand turns into the hospital and medical office site in a manner that will not disrupt westbound traffic. With the construction of this improvement, the Traffic Engineer has advised that the proposed development will not have an adverse impact on the traffic-carrying capacity of the arterial street.

RECOMMENDATIONS/ACTIONS:

1. Concur with the findings of the MAPC and approve the zone change, subject to the condition of platting; instruct the Planning Department to forward the ordinance for first reading when the plat is forwarded to the City Council.
2. Return the application to the MAPC for reconsideration, stating reasons.
