RE: CON2022-00027: Conditional Use request in the City for Ancillary Parking in SF-5 Single-Family zoning; generally located 180 feet west of South Seneca Street and within one-quarter mile north of West Pawnee Avenue.

Dear Applicant;

At its regular meeting on **August 4, 2022**, the Wichita - Sedgwick County Metropolitan Area Planning Commission considered the above captioned request. The action of the MAPC was to **APPROVE** the request with the following conditions:

1. The conditional Use shall adhere to all the Supplementary Use Regulations set forth in Article III-D.6.p of the Unified Zoning Code.
2. The applicant shall provide a revised site plan indicating the necessary screening and landscaping. The site plan shall be provided to the Planning Department for review and approval prior to the issuance of building permits.
3. If the Zoning Administrator finds that there is a violation of any of the conditions of the Conditional Use, the Zoning Administrator, in addition to enforcing the other remedies set forth in the Unified Zoning Code, may, with the concurrence of the Planning Director, declare that the Conditional Use is null and void.

Property owners opposed to the application may file with the City Clerk a signed, written protest of the MAPC's recommendation. (Unsigned e-mails are not considered to be legal protests.) To be effective, the protest must be filed by 5:00 p.m. on August 18, 2022. In order to be considered a "valid" petition, the signatures must reflect the correct and entire ownership of the property, the property must be at least partially located within 200 feet of the property for which the application was filed, and must be submitted to the City Clerk by **August 18, 2022 at 5:00 p.m.**

If there are no protests, the MAPC's approval is final. If there are protests, this application will be presented to the Wichita City Council on **Tuesday, September 6, 2022** beginning at 9:00 a.m.

This is a reminder that the notification signs should now be removed from the property. If you have any questions concerning this application, please contact our office at 268-4421.

Sincerely,

A handwritten signature in blue ink, appearing to read "E. E. Freund".

CONDITIONAL USE RESOLUTION NO. CON2022-00027

WHEREAS, Dan and Teresa Briggs, Owners, pursuant to Section V-D of the Wichita-Sedgwick County Unified Zoning Code (herein referred to as Unified Zoning Code), request a Conditional Use to allow an Ancillary Parking lot on property zoned SF-5 Single-Family Residential located on the west side of South Seneca Street and within one-quarter mile north of West Pawnee Avenue, legally described as:

Lot 2 and 30 feet of the vacated right-of-way of Renollet 7th Addition to Wichita, Sedgwick County, Kansas.

WHEREAS, proper notice as required by the Unified Zoning Code and by the policy of the Metropolitan Area Planning Commission (hereinafter referred to as MAPC) has been given; and

WHEREAS, the MAPC did, at the meeting of August 4, 2022, consider said application; and

WHEREAS, the MAPC has authority to permit a Conditional Use, subject to any special conditions deemed appropriate in order to assure full compliance with the criteria of the Unified Zoning Code.

NOW, THEREFORE, BE IT RESOLVED by the Metropolitan Area Planning Commission that this application be approved to allow a Conditional Use to allow an Ancillary Parking lot on property zoned SF-5 Single-Family Residential located on the west side of South Seneca Street and within one-quarter mile north of West Pawnee Avenue, legally described as:

Lot 2 and 30 feet of the vacated right-of-way of Renollet 7th Addition to Wichita, Sedgwick County, Kansas.

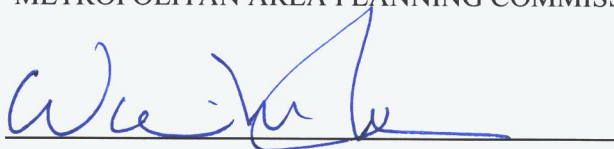

Approved subject to the following conditions:

1. The Conditional Use shall adhere to all the Supplementary Use Regulations set forth in Article III-D.6.p of the Unified Zoning Code.
2. The applicant shall provide a revised site plan indicating the necessary screening and landscaping. The site plan shall be provided to the Planning Department for review and approval prior to the issuance of building permits.
3. A Conditional Use amendment shall be required for any changes to these conditions.
4. If the Zoning Administrator finds that there is a violation of any of the conditions of the Conditional Use, the Zoning Administrator, in addition to enforcing the other remedies set forth in the Unified Zoning Code, may, with the concurrence of the Planning Director, declare that the Conditional Use is null and void.

Adopted this 25th Day of August 2022.

CASE NUMBER: CON2022-00027 (City)

APPLICANT/AGENT: Dan and Teresa Briggs (owners) / O'Reilly Auto Enterprises, LLC (agent)

REQUEST: Conditional Use request for Ancillary Parking

CURRENT ZONING: SF-5 Single-Family Residential

SITE SIZE: 0.45 acres

LOCATION: Generally located on the west side of South Seneca Street and within one-quarter mile north of West Pawnee Avenue

PROPOSED USE: Ancillary parking for adjacent O'Reilly Auto Parts Store

RECOMMENDATION: Approve with conditions

BACKGROUND: The applicant is requesting the approval of a Conditional Use to permit Ancillary Parking on Lot 2 and 30 feet of the vacated right-of-way of Renollet 7th Addition serving the abutting O'Reilly Auto Parts Store. Ancillary Parking is permitted as a Conditional Use in SF-5 Single-Family Residential zoning, subject to the Supplementary Use Regulations outlined in the Unified Zoning Code (UZC) Article III-D.6.p. The subject site is a vacant lot zoned SF-5 Single-Family Residential (SF-5) and is generally located on the west side of South Seneca Street and within a one-quarter mile north of West Pawnee Avenue. The site is currently landlocked on all sides and inaccessible to vehicle traffic. If this request for Conditional Use is approved, the owners intend to develop the property as parking, and O'Reilly Auto Enterprises, LLC will lease the lot long-term.

Development near the intersection of South Seneca Street and West Pawnee Avenue generally follows a strip corridor pattern. Commercial uses front South Seneca Street, surrounded by residential neighborhoods to the east and west of the arterial. As indicated by the attached zoning map, the properties to the north of the subject site are zoned LC Limited Commercial (LC) and are developed with the abutting O'Reilly Auto Parts parking lot and store. To the northwest of the site are two lots, zoned SF-5, and developed with a church and fellowship hall. Abutting the site to the east is a drive-through restaurant zoned LC. Two lots abut the site to the south. The lot to the southeast is zoned LC and developed as a janitorial services office. The lot to the southwest is zoned B Multi-Family Residential (B) and is undeveloped. Properties abutting the site to the west are zoned TF-3 Two-Family Residential and SF-5, each developed with a single-family dwelling. Farther to the west of the site is a neighborhood zoned SF-5 and generally developed with single-family dwellings.

A lack of vehicular access to the site currently limits its potential for development. Attachment #2 indicates that Lot 2 of Renollet 7th Addition was platted with vehicular access to the west provided by the abutting Exposition Avenue. However, shortly after platting, Lots 1 and 2 of Renollet 7th Addition were sold to a single owner, and the drive-through restaurant to the east of the subject site was developed. When Exposition Avenue was vacated, the restaurant's drive connecting to South Seneca Street provided access to the subject site. The sale of Lot 2 and the vacated ROW split the properties from Lot 1 and left the property without street frontage or access. Should the Conditional Use be permitted, access to the Ancillary Parking lot will be provided by a drive connecting to the existing O'Reilly parking lot to the north. Access to the existing parking lot will remain on the west side of South Seneca Street (See attachment 3, site plan).

Attached are the Supplementary Use Regulations of Article III-D.6.p for Ancillary Parking. Regulation # 3 states: "parking and circulation aisles shall not be located within a required Front Yard." Initially, the applicant requested that the front setback standard be waived due to the landlocked condition of this property. However, it was determined by the Zoning Administrator that the front yard setback requirement would not apply due to the property's lack of street frontage. The proposed site plan indicates that the west edge of the surface lot at its furthest extent will be approximately 26-feet from the property line where the site abuts residential use (See attachment 3, Site plan). Currently, there are trees and hedges on the west side of the vacant site but Supplementary Use Regulation #6 requires adherence to the screening standards of the Unified Zoning Code and landscaping per the Wichita Landscape Ordinance. At a minimum, a six-foot screening fence shall be constructed where abutting the residential zoning on the west. Furthermore, a landscape buffer will be required along the west property line as well. Existing vegetation can be used toward the landscape buffer requirements. Likewise, the O'Reilly Store and existing parking lot are screened from abutting residential uses by a six-foot wood privacy fence and a row of mature trees and hedges. The proposed site plan indicates that the existing fence will be extended south and east around the Ancillary lot and a number of existing trees on the site are to be maintained.

CASE HISTORY: In 1965, the Renollet 7th Addition was platted with two lots and a dedicated right-of-way. In 1982, the right-of-way was vacated, and in 2006 Lot 2 and 30-feet of the vacated ROW were split by sale from Lot 1. Records indicate the subject property has remained vacant since its platting.

ADJACENT ZONING AND LAND USE:

NORTH:	LC	Parking lot and O'Reilly Auto Parts Store
SOUTH:	LC	Commercial office and restaurant; B Multi-Family, vacant lot
EAST:	LC	Drive-through restaurant
WEST:	SF-5 & TF-3	Single-family and two-family residences

PUBLIC SERVICES: South Seneca Street is a paved, five-lane arterial street with a sidewalk on both sides. West Haskell Avenue is a paved, two-way local street with no sidewalks. Wichita Transit serves this site with bus stops along South Seneca Street. Water and Stormwater are located in the South Seneca Street right-of-way. Sanitary sewer is located in a platted 16-foot utility easement running parallel to the subject property's east lot line. Every equipment and overhead power lines are located in the right-of-way of South Seneca Street.

CONFORMANCE TO PLANS/POLICIES: The requested Conditional Use is in conformance with the following adopted plans:

The Community Investments Plan: The requested Conditional Use is in conformance with the *Community Investments Plan* (The Wichita-Sedgwick County Comprehensive Plan). The *Plan* categorizes the site as appropriate for "Commercial" use according to the 2035 Wichita Future Growth Concept Map. The commercial category is described as "areas that reflect the full diversity of commercial development intensities and types typically found in a large urban municipality. Convenience retail, restaurants, small offices, and personal service uses are located in close proximity to, and potentially mixed with, residential uses." The proposed Conditional Use as Ancillary Parking for an abutting commercial use is consistent with the *Plan's* designation for this area.

The Wichita Places for People Plan: The subject site is located in an area of opportunity within the City's Established Central Area (ECA). Areas of opportunity are identified as "areas that generally exhibit economic challenges, a disconnected development pattern, and a lack of walkable places and facilities." *The Wichita Places for People Plan* describes various principles for infill development in the ECA. Development Principle Four, on Buildings, suggests walkable development patterns are constructed to "hide or minimize surface parking." In this case, the requested Conditional Use and proposed site plan is found to be in conformance with the *Wichita Places for People Plan*.

Further, Section 3.1-4 Buildings outlines best practices "to engage the street," recommending practices which: "Disguise or mitigate service, utility or car-oriented features of the site or building by locating them to the rear, screening from important public views, or otherwise reducing their scale and impact in relation to active and social spaces." The proposed use utilizes this principle by locating the Ancillary Parking behind existing commercial structures to minimize its visual impact. Similarly, the screening along the south and west property lines included in the proposed site plan will further disguise the lot from public view.

RECOMMENDATION: Based upon information available prior to the public hearings, planning staff recommends that the request be **APPROVED**, subject to the following conditions:

1. The conditional Use shall adhere to all the Supplementary Use Regulations set forth in Article III-D.6.p of the Unified Zoning Code.
2. The applicant shall provide a revised site plan indicating the necessary screening and landscaping. The site plan shall be provided to the Planning Department for review and approval prior to the issuance of building permits.
3. If the Zoning Administrator finds that there is a violation of any of the conditions of the Conditional Use, the Zoning Administrator, in addition to enforcing the other remedies set forth in the Unified Zoning Code, may, with the concurrence of the Planning Director, declare that the Conditional Use is null and void.

This recommendation is based on the following findings:

(1) **The zoning, uses, and character of the neighborhood:** This neighborhood is characterized by commercial zoning clustered along the South Seneca Street corridor, surrounded by residential neighborhoods on the east and west sides of the street. Properties to the north and east of the subject site are zoned LC Limited Commercial and are developed with commercial structures and uses. To the south is an undeveloped lot zoned B Multi-Family Residential and a lot zoned LC developed for commercial use. Properties to the west are zoned TF-3 Two-Family Residential and SF-5, developed as single-family residences.

(2) **The suitability of the subject property for the uses to which it has been restricted:** The property is zoned SF-5 Single-Family Residential, which permits single-family residences and compatible uses. However, CON2022-00027

a lack of vehicular access to the site limits the potential for residential development and use. Ancillary Parking is permitted as a Conditional Use in SF-5 zoning subject to the Supplementary Use Regulations found in the UZC Article III-D.6.p.

(3) **Extent to which removal of the restrictions will detrimentally affect nearby property:** Staff does not anticipate that approval of this request would have a detrimental effect on nearby properties. Ancillary Parking is allowed by Conditional Use approval and is subject to Supplementary Use Regulations, including screening which will minimize the impact on nearby properties.

(4) **Relative gain to the public health, safety, and welfare as compared to the loss in value or the hardship imposed upon the applicant:** Approval of this application is not anticipated to have a detrimental impact on the public health, safety, or welfare. A denial of this request could result in a loss of rental income for the applicant. The impact of denial on the agent is unknown, as the O'Reilly store's off-street parking count currently exceeds what is required by the UZC Article IV-A

(5) **Conformance of the requested change to the adopted or recognized Comprehensive Plan and policies:** The Wichita-Sedgwick County Comprehensive Plan, the *Community Investments Plan*, identifies the subject site as appropriate for Commercial use. Developing Ancillary Parking on this site to serve the abutting commercial use is consistent with the commercial designation for this area. Additionally, the proposed site plan complies with Development Principle Four of the Wichita Places for People Plan, Buildings: to "*hide or minimize surface parking.*"

(6) **Impact of the proposed development on community facilities:** The proposed use should not negatively impact community facilities.
