STAFF REPORT

MAPC: April 27, 2023

DAB I: May 1, 2023

CASE NUMBER: CON2023-00004

APPLICANT/AGENT: Walter Morris Investment Company, LLC (Applicant)
Brent Allison (Agent)

REQUEST: Tavern and Drinking Establishment

CURRENT ZONING: LC Limited Commercial District

SITE SIZE: 1.40 acres

LOCATION: Generally located on the southwest corner of East Douglas Avenue and South Oliver Avenue (4717 East Douglas Avenue).

PROPOSED USE: Permit the service of alcohol

RECOMMENDATION: Approval with Conditions

BACKGROUND: The applicant is requesting a Conditional Use for a Tavern & Drinking Establishment on the subject site located on the southwest corner of East Douglas Avenue and South Oliver Avenue (4717 East Douglas Avenue). The subject site is 1.4 acres in size, is zoned LC Limited Commercial District, and is currently developed with a strip mall. The applicant will use one suite of the building for the Tavern & Drinking Establishment.

This case was initially heard by the Metropolitan Area Planning Commission (MAPC) on April 3, 2023. To further clarify the intended uses on the property and modify the hours of operation, the MAPC voted to defer the case to April 27, 2023.

The applicant is requesting the Conditional Use in order to serve alcohol at 4715 East Douglas. The suite is currently occupied with a hair salon, and the applicant intends to expand or modify his existing business. Supplementary Use Regulations in Section III-D.6.w of the Unified Zoning Code require a Conditional Use for "Tavern & Drinking Establishment" when it is within 300 feet of residential zoning district. The need for the Conditional Use at this location is due to the requested land use and the proximity of TF-3 Two-Family Residential District and SF-5 Single-Family Residential District zoning, which are located approximately 68 feet west and south of the subject property.

The subject property was zoned commercial prior to the adoption of the Wichita Landscape Ordinance, therefore has not been required to provide a landscaped street yard along East Douglas Avenue or South Oliver Avenue. Additionally, because there is LC Limited Commercial District zoning on the north and east sides, it does not have to adhere to Unified Zoning Code screening standards or provide a landscape buffer.

The existing business is located within the Lincoln Heights shopping mall. Its primary entrance faces South Oliver Avenue and can be accessed via East Douglas Avenue or South Oliver Avenue. The applicant's site plan demonstrates an existing parking lot on site that would satisfy the proposed Tavern & Drinking Establishment's parking requirements of one parking space per two occupants, as defined in the UZC, Art. IV-Sec. A. The applicant can also have the parking requirements reduced through an Administrative Adjustment. There is an additional parking lot directly to the south of the subject site, also owned by the applicant, which can be used toward the off-street parking requirement for all uses on the subject site.

The character of the neighborhood is commercial on the major arterial streets and residential on the surrounding local streets. Property to the north, across East Douglas Avenue, is zoned LC Limited Commercial District is developed with a strip mall. Properties to the south, across East Oakland Avenue, are zoned TF-3 Two-Family Residential District and SF-5 Single-Family Residential District and are developed with a parking lot and a single-family residential dwelling, respectively. The parking lot is owned by the same applicant. Properties to the east, across South Oliver Avenue, are zoned LC Limited Commercial District and are developed with strip malls. Properties to the west, across South Dellrose Avenue, are zoned GO General Office District, TF-3 Two-Family Residential District, and SF-5 Single-Family Residential District. They are developed with a bank and two single-family residential dwellings, respectively.

CASE HISTORY: On February 25, 1927, the Lincoln Heights Addition was created. There are no zoning cases associated with this property.

ADJACENT ZONING AND LAND USE:

NORTH:	LC	Strip mall
SOUTH:	SF-5, TF-3	Single-family residential dwelling, parking lot
EAST:	LC	Strip malls
WEST:	GO, TF-3, SF-5	Bank, single-family residential dwellings

PUBLIC SERVICES: East Douglas Avenue is a four-lane arterial with sidewalks on both sides. Wichita Transit provides regular bus service along Douglas Avenue at the southwest corner of East Douglas Avenue and South Pershing Avenue. Municipal water and sewer already serve the subject site.

CONFORMANCE TO PLANS/POLICIES: The request is in conformance with The Community Investments Plan. The Community Investment Plan (the Wichita-Sedgwick County Comprehensive Plan) recommends the subject site as appropriate for “Commercial” land uses. This category supports the full diversity of commercial development found in a large urban municipality.

The request is also in conformance with the Locational Guidelines of the Comprehensive Plan. A general Development Pattern Guideline states: “*Development should occur where necessary supporting infrastructure and services exist or are planned for extension concurrently with the development.*” Specifically, “*Major commercial and employment centers should be located at intersections of arterial streets and along highways and commercial corridors.*” The proposed Tavern & Drinking Establishment is located at the intersection of two arterial streets and will expand upon an existing business.

The subject site is located at East Douglas Avenue and South Oliver Street, which the *Wichita: Places for People Plan* identifies as a Node. The node is the area which contains the highest intensity of uses, and predominately commercial or mixed-use development. Small-scale commercial, such as a Tavern & Drinking Establishment, is appropriate for this site. The *Places for People Plan* also identifies this site as an “Area of Stability”, which “requires fewer interventions and potentially less investment to maintain a viable development environment and community. Improvements should be geared toward continuing the area's momentum and strengthening the established context.” Lastly, the subject site is located within a Neighborhood Hub, which the *Places for People Plan* defines as “one or more small-scale commercial buildings, with not more than one small-scale, medium-box anchor. Development in Neighborhood Hubs in the ECA should be concentrated and intended to incorporate only small-scale Building Types into their footprint. The low intensity of this type of commercial development allows these hubs to be well- integrated into the existing neighborhoods.” The requested Conditional Use will allow an existing business to expand and integrate into the small-scale strip mall.

RECOMMENDATION: Based upon information available prior to the public hearings, planning staff recommends that the request be **APPROVED**, subject to the following conditions:

1. Tavern & Drinking Establishment shall adhere to Supplementary Use Regulations in Section III-D.6.w of the Unified Zoning Code.
2. The Tavern and Drinking Establishment shall be approved according to the site plan submitted to the Planning Department. Any Tavern and Drinking Establishment that wishes to open in a different spaces within the shopping area is required to amend the Conditional Use.
3. The public entrance cannot face South Dellrose Avenue or East Oakland Avenue.
4. The site shall be developed in general conformance with the approved site plan and in compliance with all city ordinances, including but not limited to: zoning, sign code, building, fire, health codes or licensing requirements.
3. The parking lot shall be kept free of all trash and debris.
4. ~~No loitering, congregating or excessive noise shall be permitted in the parking lot.~~

5. No outside loudspeakers.
6. Operation of the Tavern & Drinking Establishment shall be limited to:
4:00 p.m. to 12:00 a.m Monday through Thursday, and
4:00 p.m to 2:00 a.m Friday, and
11:00 a.m to 2:00 a.m on Saturday, and
11:00 a.m to 12:00 a.m on Sunday.
7. If the Zoning Administrator finds that there is a violation of any of the conditions of the Conditional Use, the Zoning Administrator, in addition to enforcing the other remedies set forth in the Unified Zoning Code, may, with the concurrence of the Planning Director, declare the Conditional Use null and void.

This recommendation is based on the following findings:

1. The zoning, uses and character of the neighborhood: The character of the neighborhood is commercial on the major arterial streets and residential on the surrounding local streets. Property to the north, across East Douglas Avenue, is zoned LC Limited Commercial District is developed with a strip mall. Properties to the south, across East Oakland Avenue, are zoned TF-3 Two- Family Residential District and SF-5 Single-Family Residential District and are developed with a parking lot and a single-family residential dwelling, respectively. The parking lot is owned by the same applicant. Properties to the east, across South Oliver Avenue, are zoned LC Limited Commercial District and are developed with strip malls. Properties to the west, across South Dellrose Avenue, are zoned GO General Office District, TF-3 Two-Family Residential District, and SF-5 Single-Family Residential District. They are developed with a bank and two single- family residential dwellings, respectively.
2. The suitability of the subject property for the uses to which it has been restricted: The building could be remodeled to be used for a wide variety of LC uses allowed by the current zoning. In this case, the Conditional Use is only required because of the proposed use being located within 300 feet of residential district zoning.
3. Extent to which removal of the restrictions will detrimentally affect nearby property: The conditions of approval, such as the hours of operation and prohibition of loitering and outdoor loudspeakers, are designed to mitigate possible detrimental impacts to nearby surrounding properties.
4. Length of time subject property has remained vacant as zoned: The subject site is not vacant. The property has been developed as a shopping center since 1949.
5. Relative gain to the public health, safety and welfare as compared to the loss in value or the hardship imposed upon the applicant: Approval of the application is not anticipated to have a detrimental impact on the public health, safety, or welfare of the community. The proposed Conditional Use will allow the applicant to expand upon an existing business. Denial of the application may result in a loss of economic opportunity for the applicant.
6. Conformance of the requested change to the adopted or recognized Comprehensive Plan and policies: The request is in conformance with the *Community Investments Plan* and the *Places for People Plan*, as discussed in the staff report.
7. Impact of the proposed development on community facilities: It is not anticipated that the Conditional Use will have significant negative impacts on community facilities.

8. Opposition or support of neighborhood residents: At the time the staff report was prepared, staff received several comments from the public in support of the Tavern and Drinking Establishment, which are attached to the end of this report.
