METROPOLITAN AREA PLANNING COMMISSION

AGENDA REPORT NO. 3.1  
November 17, 2022

**STAFF REPORT**

**CASE NUMBER:**

**VAC2022-00032-** Reprocessing a request in the City to vacate an alley right-of-way abutting property zoned LC Limited Commercial District, generally located on the northwest corner of West Kellogg Drive and South Meridian Avenue.

**APPLICANTS:**

SPS Investments, LLC (applicant/owner), Calvin Klaassen (agent).

**LEGAL DESCRIPTION:**

Generally described as vacating a portion of a platted alley as dedicated in Martinson's 5<sup>th</sup> Addition to Wichita, Sedgwick County, Kansas (see attached legal).

**LOCATION:**

Generally located on the northwest corner of West Kellogg Drive and South Meridian Avenue.

**REASON FOR REQUEST:**

To allow future development of the lot.

**CURRENT ZONING:**

All lots directly east and west of the alley are zoned LC Limited Commercial. Properties north and west of the railroad tracks are zoned TF-3 Two Family. Properties to the east (across Meridian Avenue) are zoned U University.

The applicant has requested the reprocessing of VAC2018-00036, a request to vacate the platted alley generally located on the northwest corner of West Kellogg Drive and South Meridian Avenue. On November 6, 1886, the subject alley and all abutting properties were platted as Martinson's 5th Addition to Wichita, Sedgwick County, Kansas. The applicant owns all lots abutting the vacation area. Those to the east are developed with single-family residences, and those to the west are undeveloped. No property will be denied access to public streets right-of-way if the vacation is approved.

The City and franchise utilities have existing equipment in the requested area of vacation. A Sewer line runs down the center of the alley, and Everygy poles fit with Cox equipment are parallel to its west line. Approval of this request would require the applicant/owner to dedicate easements covering the utilities or have them relocated at their expense.

On February 7, 2019, the Metropolitan Area Planning Commission approved this request subject to the following conditions:

1. The applicant shall dedicate a 20-foot wide utility easement by separate instrument, with original signatures, for the length of the platted vacated alley or relocated the utility to City Standards at their own expense. The applicant shall provide Planning with the dedication of utility easements by separate instrument to go with the Vacation Order to be filed with the Register of Deeds. This must be provided to Planning prior to the case going to City Council for final action and subsequent recording with the Vacation Order at the Register of Deeds. If relocation is not possible then this Vacation shall be rendered void as the current easement must remain in place.
2. Provide restrictive covenants, with original signatures, binding and tying the vacated described alley right of way to the abutting properties. This must be provided to Planning prior to the case going to City Council for final action and subsequent recording with the Vacation Order at the Register of Deeds.
3. As needed provide utilities with any needed project plans for the relocation of utilities for review and approval. Any relocation/reconstruction of utilities made necessary by this vacation shall be to City Standards and shall be the responsibility and at the expense of the applicants. Provide an approved project number(s) to Planning prior to the case going to City Council for final action.
4. All improvements shall be according to City Standards and at the applicants' expense.
5. Per MAPC Policy Statement #7, all conditions are to be completed within one year of approval by the MAPC or the vacation request will be considered null and void. All vacation requests are not complete until the Wichita City Council or the Sedgwick County Board of County Commissioners have taken final action on the request and the vacation order and all required documents have been provided to the City, County and/or franchised utilities and the necessary documents have been recorded with the Register of Deeds.

An excerpt of the MAPC meeting minutes regarding this item is attached.

MAPD staff did not receive the required dedications or relocation plans for the utilities or the restrictive covenants within a year of the MAPC's approval. Failure to comply with condition #5, MAPC Policy Statement #7, nullified MAPC's recommendation for approval of the request, and it was not forwarded to the governing body for final action.

Based upon information available prior to the public hearing and reserving the right to make recommendations based on subsequent comments from City Traffic, Public Works/Water & Sewer/Stormwater, Fire, franchised utility representatives, and other interested parties, Planning Staff has listed the following considerations (but not limited to) associated with the request to vacate the described portions of the platted utility easements.

That after being duly and fully informed as to fully understand the true nature of this petition and the propriety of granting the same, the MAPC makes the following findings:

1. That due and legal notice has been given by publication as required by law, in the Wichita Eagle, of notice of this vacation proceeding one time October 27, 2022, which was at least 20 days prior to this public hearing.

2. That no private rights will be injured or endangered by vacating the described portion of the platted completed access control, and that the public will suffer no loss or inconvenience thereby.
3. In justice to the petitioner, the prayer of the petition ought to be granted.

Conditions (but not limited to) associated with the request:

1. Abandonment or relocation/reconstruction of any/all utilities made necessary by the vacation of the platted utility easements shall be to City Standards and shall be the responsibility and at the expense of the applicant. As needed provide approval from franchised utilities for the relocation of franchised utilities. All to be provided to the Planning Department prior to this case going to City Council for final action.
2. As needed provide Planning with dedications of easements by separate instruments with original signatures to go with the Vacation Order to City Council for final action and subsequent recording with the Vacation Order at the Register of Deeds. All to be provided to the Planning Department prior to this case going to City Council for final action.
3. As needed provide utilities with any needed project plans for the relocation of utilities for review and approval. Any relocation/reconstruction of utilities made necessary by this vacation shall be to City Standards and shall be the responsibility and at the expense of the applicants. Provide an approved project number(s) to Planning prior to the case going to City Council for final action.
4. All improvements shall be according to City Standards and at the applicants' expense.
5. Provide Planning with a legal description of the vacated platted utility easement on a Word document via E-mail that can be used on the Vacation Order. This must be provided to the Planning Department prior to this case going to City Commission for final action.
6. Per MAPC Policy Statement #7, all conditions are to be completed within one year of approval by the MAPC or the vacation request will be considered null and void. All vacation requests are not complete until the Wichita City Council or the Sedgwick County Board of County Commissioners have taken final action on the request and the vacation order and all required documents have been provided to the City, County and/or franchised utilities and the necessary documents have been recorded with the Register of Deeds.

#### **SUBDIVISION COMMITTEE'S RECOMMENDED ACTION**

All to be provided to the Planning Department prior to this case going to City Council for final action.
2. The applicants to vacate the platted alley generally located on the northwest corner of West Kellogg Drive and South Meridian Avenue. The platted parcels abutting the alley on the east are developed. The platted parcel abutting the alley on the west is undeveloped. There is a sewer line that runs down the middle of the alley. The utility will either have to be relocated at the owners expense or a 20-foot easement over the sewer line be dedicated to the City by separate instrument. Westar and Cox Communications have facilities in the area which will either have to be dedicated by an easement or relocated at the owner's expense. Ennidh Garcia is the area representative for Westar and can be contacted at 316-261-6334 on this item. Martinson's 5<sup>th</sup> Addition was recorded with the Register of Deeds November 6, 1886.
