Property owners opposed to the application may file with the County Clerk a signed, written protest of the MAPC's recommendation. (Unsigned e-mails are not considered to be legal protests.) **To be effective, the protest must be filed by 5:00 p.m. on July 27, 2023.** In order to be considered a "valid" petition, the signatures must reflect the correct and entire ownership of the property, the property must be at least partially located within 1000 feet of the property for which the application was filed, and must be submitted to the County Clerk by **July 27, 2023, at 5:00 p.m.**

To ensure that Conditional Use applications would not be ruled invalid due to the recent American Warrior, Inc. v. To do this, the Planning Director is submitting an appeal for all Conditional Use applications, per UZC Sec. V.A.5. STAFF REPORT
MAPC: July 13, 2023
CAB 2: N/A

CASE NUMBER: CON2023-00029 (County)

APPLICANT/OWNER: Andrew and Jennifer Nixon (Applicants)

REQUEST: Conditional Use for temporary Manufactured Home

CURRENT ZONING: RR Rural Residential

SITE SIZE: 5 acres

LOCATION: Generally located 500 feet north of West 119th Street South and within one-quarter mile west of South 151st Street West (15958 W. 119th Street South).

PROPOSED USE: Temporary manufactured home until permanent dwelling is built.

RECOMMENDATION: Approve with conditions.

BACKGROUND: The applicants are requesting a Conditional Use to allow the temporary placement of a Manufactured Home for up to six (6) years while a permanent dwelling is being built on property zoned RR Rural Residential District. The five-acre subject site is generally located approximately 500 feet north of West 119th Street South and within one-quarter mile west of South 151st Street West. The subject site is platted as Lot 2, Block A, Nixon Acres Addition. Access to this lot from West 119th Street South is via a platted access easement through Lot 1.

The placement of Manufactured Homes in the RR Rural Residential District is governed by Supplementary Use Regulations in Section III-D.6.I of the Unified Zoning Code (UZC) (see attached). Sub-section 4 of the Supplementary Use Regulations permit, by-right, the temporary placement of a Manufactured Home during the construction or substantial remodeling of a single-family dwelling for a maximum one-year from the issuance date of the building permit.

As described in the attached justification, the applicants are requesting the Conditional Use for the placement of a Manufactured Home because they recently purchased the land and require additional time to save in order to begin construction on their future single-family dwelling. The anticipated time frame is for them to save for the first five years and complete construction of the single-family dwelling by the end of the sixth year. The Conditional Use would permit them to live on the land they purchased while they acquire the funding to eventually build the single-family dwelling. The request for the Conditional Use falls under sub-section 3 of the Supplementary Use Regulations in Section III-D.6.I. Staff is recommending as a condition of approval that the temporary Manufactured Home be removed from the site within 90 days of either:

1. the six-year time limit has expired, or
2. the issuance of occupancy permits of the future single-family dwelling, whichever comes first.

As seen on the attached site plan, the placement of the temporary Manufactured Home abides by all setback requirements in the RR Rural Residential District. The plan also illustrates the location of the future single-family dwelling and detached garage.

Properties north, east, south, and west are zoned RR Rural Residential are a mixture of single-family dwellings and agricultural land.

CASE HISTORY: In 2022, the property was platted as part of the Nixon Acres Addition.

ADJACENT ZONING AND LAND USE:

NORTH:	RR	Agriculture
SOUTH:	RR	Single-family residential
EAST:	RR	Agriculture
WEST:	RR	Agriculture

PUBLIC SERVICES: West 119th Street south is a gravel, two-lane county arterial road with open ditches. Sewer will likely be provided with an on-site lagoon or septic system, and water is provided by Sumner County Rural Water District #5.

CONFORMANCE TO PLANS/POLICIES: The request for an Accessory Apartment is in conformance with the *Community Investments Plan*. The Wichita-Sedgwick County Comprehensive Plan, the *Community Investments Plan*, identifies the site as being in the Rural Growth Area on the 2035 Urban Growth Areas Map. This category “encompasses land outside the 2035 urban growth areas for Wichita and the small cities. Agricultural uses, rural based businesses, and larger lot residential exurban subdivision likely will be developed in this area.”

RECOMMENDATION: Based upon information available prior to the public hearings, planning staff recommends that the request be **APPROVED**, with the following conditions:

- (1) The temporary manufactured home shall adhere Supplementary Use Regulations found in Section III-D.6.1 of the Unified Zoning Code.
- (2) The temporary Manufactured Home shall be placed on the site for a maximum of 6 years from the date of final approval by the Governing Body.
- (3) The temporary Manufactured Home shall be removed within 90 days after either: 1) the end of the 6 year time period, or 2) the issuance of occupancy permits for the single-family dwelling, whichever comes first.
- (4) Any extension of the Conditional Use shall require an amendment.
- (5) The applicant shall obtain all applicable permits including, but not limited to: building, health and zoning. This will include submitting plans for review and approval by the MABCD.
- (6) Development and maintenance of the site shall be in conformance with the approved site plan.
- (7) If the Zoning Administrator finds that there is a violation of any of the conditions of the Conditional Use, the Zoning Administrator, in addition to enforcing the other remedies set forth in Article VIII of the Unified Zoning Code, may, with the concurrence of the Planning Director, declare that the Conditional Use is null and void.

This recommendation is based on the following findings:

- (1) The zoning, uses and character of the neighborhood: The character of the neighborhood is rural. Properties north, east, south, and west are zoned RR Rural Residential and are in use as single family and agricultural land.
- (2) The suitability of the subject property for the uses to which it has been restricted: The subject site is currently zoned RR Rural Residential which permits single-family dwellings. Approval of the conditional use permits the applicant to live on-site until they are able to finance construction of the future single-family dwelling.
- (3) Extent to which removal of the restrictions will detrimentally affect nearby property: Staff does not anticipate that approval of the request will significant detrimental impacts on surrounding properties. The conditions of approval should minimize any potential detrimental impacts.
- (4) Length of time subject property has remained vacant as zoned: The subject site has historically been used for agriculture.
- (5) Relative gain to the public health, safety and welfare as compared to the loss in value or the hardship imposed upon the applicant: It is not anticipated that the requested Conditional Use will have an effect on the public health, safety, or welfare. Denial of the application may result in a loss of enjoyment for the applicant.
- (6) Conformance of the requested change to the adopted or recognized Comprehensive Plan and policies: The request is in conformance with the *Community Investments Plan*, as discussed in this staff report.

- (7) Impact of the proposed development on community facilities: Staff expect that there will be minimal impact on public roads and services.
- (8) Opposition or support of neighborhood residents: At the time the staff report was prepared, staff has not received any public comment regarding this request.

Applicant's Justification for Conditional Use

My wife and I sold our house with the intention of building. We purchased land from my parents, and paid for a survey and land plotting. We also opened a construction loan last fall, specifically for the land improvements (utilities, dirt work, driveway).

To keep this short. We didn't have enough cash to do a construction loan on our permanent home. My goal is to save money over the next 5 years to have enough for a good down payment on the building loan. With the way building materials have been going I am trying to plan for a cash cushion.

I plan on beginning the permanent construction home before the end of the 5 years with the goal of being moved in by the end of the 6 years.

We already purchased the single wide mobile home and it is currently being professionally remodeled. It is in good condition and it will be well maintained while we live there. The address is in the county. Due to the planned home location, the only neighbors who could potentially see the home are my parents, and farmers who work fields in the area.

Thank you for your help. Please let me know if you need any additional information or help with anything.

Thank you,
Andrew Nixon

(4) Temporary Manufactured Home in the County. The placement of a Manufactured Home on a residentially zoned Lot within the unincorporated portion of Sedgwick County may be permitted on a temporary basis while a Single-Family Dwelling Unit is being constructed, or while an existing Single-Family Dwelling Unit is being substantially remodeled and during this remodeling the main residence is not occupied, subject to the following conditions.

(a) The location of the temporary Manufactured Home shall conform to all Setback requirements of the District in which it is located.

(b) The Lot Area for the temporary Manufactured Home need not comply with the area requirements of the zoning District, provided that the unit is connected to a public water supply and a municipal-type sewer system. If the property is not served by a public water supply and municipal type sewer system, the minimum Lot Area shall be determined by the County Health Department.

(c) The temporary Manufactured Home shall be allowed on the property for a maximum of one year from the date of the issuance of the Building Permit for the Single-Family Dwelling Unit being constructed or remodeled on the same Lot. In the event an additional time period is needed beyond said one year, an extension of the Conditional Use may be granted in accordance with Sec. V-D, provided good cause can be shown as to why more than one year is necessary.

(d) The Manufactured Home shall be set-up in accordance with the Manufactured Home siting standards of Sedgwick County, and amendments thereto. The unit shall comply with all of the standards of Sec. III-D.6.l(1).

(e) No Manufactured Home shall be permitted on the same Lot and/or tract as a Dwelling Unit being remodeled wherein the Dwelling Unit is occupied during remodeling.

(5) Replacement of Manufactured and/or Mobile Home in the County. The replacement of a nonconforming Manufactured or Mobile Home within the unincorporated area of the County with a newer and/or larger Manufactured Home shall be permitted without rezoning the property to the MH District; provided the Manufactured Home is placed on the same property and complies with all siting requirements of the County.
