Agenda Report # _____

TO: Mayor and City Commissioners

SUBJECT: Z-2789 - REQUEST FOR ZONE CHANGE FROM "B" MULTIPLE-FAMILY DWELLING TO THE "LC" COMMERCIAL DISTRICT, LOCATED AT THE SOUTHEAST CORNER OF GARDNER DRIVE AND 13TH STREET NORTH.
(World Impact, Inc.)

INITIATED BY: Metropolitan Area Planning Department

AGENDA ACTION: Zoning

MAPC Recommendation: Approve (10-0)

Staff Recommendation: Approve

Background: On August 7, 1986, the MAPC held a public hearing to consider a zone change from "B" Multiple-family dwelling to the "LC" Light Commercial district for a 1.0-acre site located at the southeast corner of Gardner Drive and 13th Street North. The applicants own the adjacent property to the south and to the west and are planning to develop their entire site. They have advised of their intent to replat and vacate Gardner Drive and are willing to dedicate appropriate access control to 13th Street. No one appeared in opposition to the application. The Planning Commission unanimously recommended approval subject to replatting their entire ownership within one year.

CPO Council "I", on August 14, 1986, voted 8-0 to recommend approval of the request.

Analysis: Single-family houses exist to the north across 13th Street North in the "A" district and apartments are to the south and to the west in the "B" district. A cemetery is situated south of the apartments and a golf course is located to the east across the railroad right-of-way and Roosevelt Avenue.

The Planning Commission determined that the character of the neighborhood; the zoning and uses of properties nearby; the suitability of subject property for the uses proposed; and the recommendation of staff justified the approval of the zone change.

- Actions:
1. Concur with the findings of the MAPC and approve the zone change subject to the condition of platting; instruct the Planning Department to forward the ordinance for first reading when the plat is forwarded to the City Commission; or
 2. Return the application to the MAPC for reconsideration stating reasons.
