Dear Mr. Roelfs:

At its regular meeting on May 10, 1979, the Metropolitan Area Planning Commission considered the above-captioned zone change request. A motion to recommend the approval of the application subject to platting within one year of the date of approval by the Board of County Commissioners; or the case be considered denied and closed; and that the resolution effectuating the zone change not be published until the plat has been recorded with the Register of Deeds; resulted in a moot vote of five in favor and five opposed. Therefore, this constitutes a "failure to recommend" and thus the Board of County Commissioners can take whatever action they deem appropriate.

This matter will be forwarded to the Board of County Commissioners for their consideration at 9:00 a.m., on Wednesday, June 6, 1979, in Room 320, Sedgwick County Courthouse.

If you have any questions concerning this matter, please contact our office.

Sincerely yours,

Jack H. Galbraith
