**STAFF REPORT**  
MAPC: July 13, 2023  
DAB II: July 10, 2023

**CASE NUMBER:** ZON2023-00038 (City)

**APPLICANT/AGENT:** WebbPawn Development LLC (Applicant)/Garver LLC (Agent)

**REQUEST:** MF-18 Multi-Family Residential District; TF-3 Two-Family Residential District

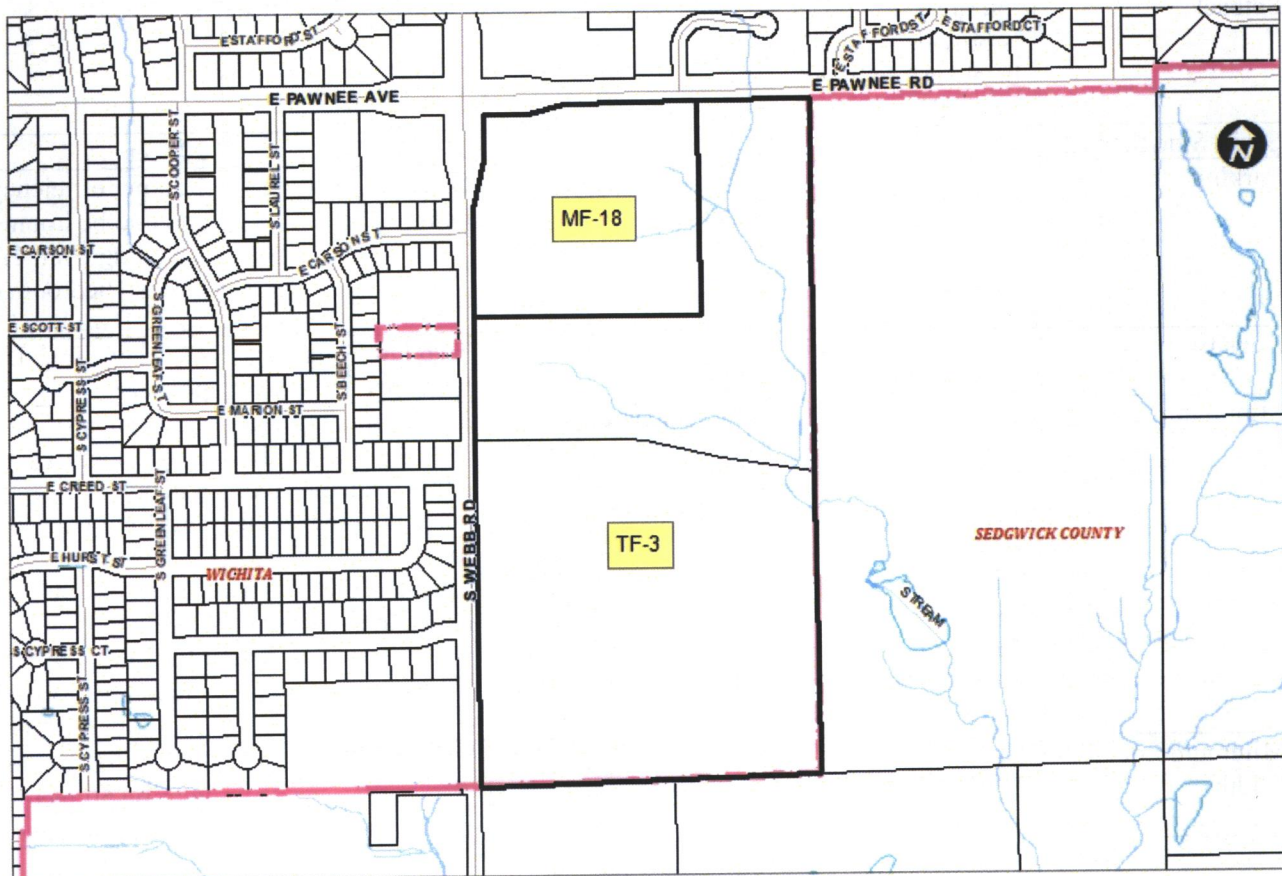

**CURRENT ZONING:** LC Limited Commercial District; SF-5 Single-Family Residential District

**SITE SIZE:** 79.3 acres

**LOCATION:** Generally located on the southeast corner of East Pawnee Road and South Webb Road (2502 South Webb Road).

**PROPOSED USE:** Residential development.

**RECOMMENDATION:** Approve.

**BACKGROUND:** The applicant is requesting a zone change from LC Limited Commercial District and SF-5 Single-Family Residential District to MF-18 Multi-Family Residential District and TF-3 Two-Family Residential District. The 79.3-acre property is generally located on the southeast corner of East Pawnee Road and South Webb Road (2502 South Webb Road). The subject site is currently in use as agricultural land.

The applicant requests to rezone 17.7 acres of the northwest corner of the subject site to MF-18 Multi-Family Residential District, which is currently zoned LC Limited Commercial District and SF-5 Single-Family Residential District. The applicant requests to rezone the remaining 61.6-acre portion of the subject site to TF-3 Two-Family Residential District. The applicant has indicated that the requested zone change is for residential development. Within one-half mile northwest of the subject site is MF-18 zoning, while the property immediately north of the subject site is developed with duplexes. Thus, multi-family and duplex development already exist in the area. Overall, the requested zone change will reduce the maximum building height, increase the setbacks, and reduce the minimum lot width. More information on development standards is found in the table below.

Development Standards	LC Limited Commercial District Standards	SF-5 Single-Family Residential District Standards	TF-3 Two-Family Residential District Standards	MF-18 Multi-Family Residential District Standards
Maximum Building Height	80 feet, plus two feet of additional height for each foot of Setback beyond the minimum required Setbacks	35 feet	35 feet	45 feet

Minimum Lot Area	2,500 square feet for Single-Family; 2,000 square feet per Dwelling Unit for Duplex; 580 square feet per Dwelling Unit for Multi-Family; no minimum for nonresidential uses	5,000 square feet	3,500 square feet for Single-Family; 3,000 square feet per Dwelling Unit for Duplex; 5,000 square feet for nonresidential uses	3,500 square feet for Single-Family; 3,000 square feet per Dwelling Unit for Duplex; 2,500 square feet per Dwelling Unit for Multi-Family; 5,000 square feet for nonresidential uses
Minimum Lot Width	No minimum	50 feet	35 feet	35 feet for Single-Family; 50 feet for all other uses

The character of the neighborhood is residential and undeveloped. Properties to the north are zoned LC Limited Commercial District. The western half of this property (north of the subject site) is undeveloped, while the eastern half is developed with duplexes and is subject to Protective Overlay #192. Property to the south is zoned SF-20 Single-Family Residential District, is in unincorporated Sedgwick County, and is owned by the applicant. This property is currently in use as agricultural land. Property to the east is zoned SF-20 Single-Family Residential District, is located in unincorporated Sedgwick County, and is in use as agricultural land. Properties to the west are zoned LC Limited Commercial District, SF-5 Single-Family Residential District, and SF-20 Single-Family Residential District. The SF-20 property is located in unincorporated Sedgwick County, while the LC and SF-5 properties are located within the City of Wichita. The LC property is undeveloped, and the SF-20 and SF-5 properties are developed with single-family dwellings.

**CASE HISTORY:** The subject site is currently unplatted. Platting will be required prior to the issuance of building permits. There are no zoning cases associated with this property.

**ADJACENT ZONING AND LAND USE:**

NORTH:	LC with PO #192	Undeveloped, duplexes
SOUTH:	SF-20	Agricultural land (Unincorporated Sedgwick County)
EAST:	SF-20	Agricultural land (Unincorporated Sedgwick County)
WEST:	LC, SF-5, SF-20	Single-family residences, undeveloped

**PUBLIC SERVICES:** The subject site currently has access to South Webb Road and East Pawnee Road, which are both two-lane arterial streets. South Webb Road has a partial sidewalk on the west side, while East Pawnee Road has no sidewalks. Municipal services, such as water, sanitary sewer and stormwater services will need to be extended prior to development on-site. Wichita Transit does not serve this area.

**CONFORMANCE TO PLANS/POLICIES:** The requested zone change is in conformance with the *Community Investments Plan*. The *Community Investments Plan* (the Wichita-Sedgwick County Comprehensive Plan), which includes the 2035 Future Growth Concept Map, recommends the subject site as primarily appropriate for both “New Residential” and “Residential and Employment Mix”. The *Plan* defines “New Residential” as “*areas of land that likely will be developed or redeveloped by 2035 with uses predominately found in the Residential category.*” Multi-family and duplex development are appropriate uses for this area.

**RECOMMENDATION:** Based upon information available prior to the public hearings, planning staff recommends that the request be **APPROVED**.

This recommendation is based on the following findings:

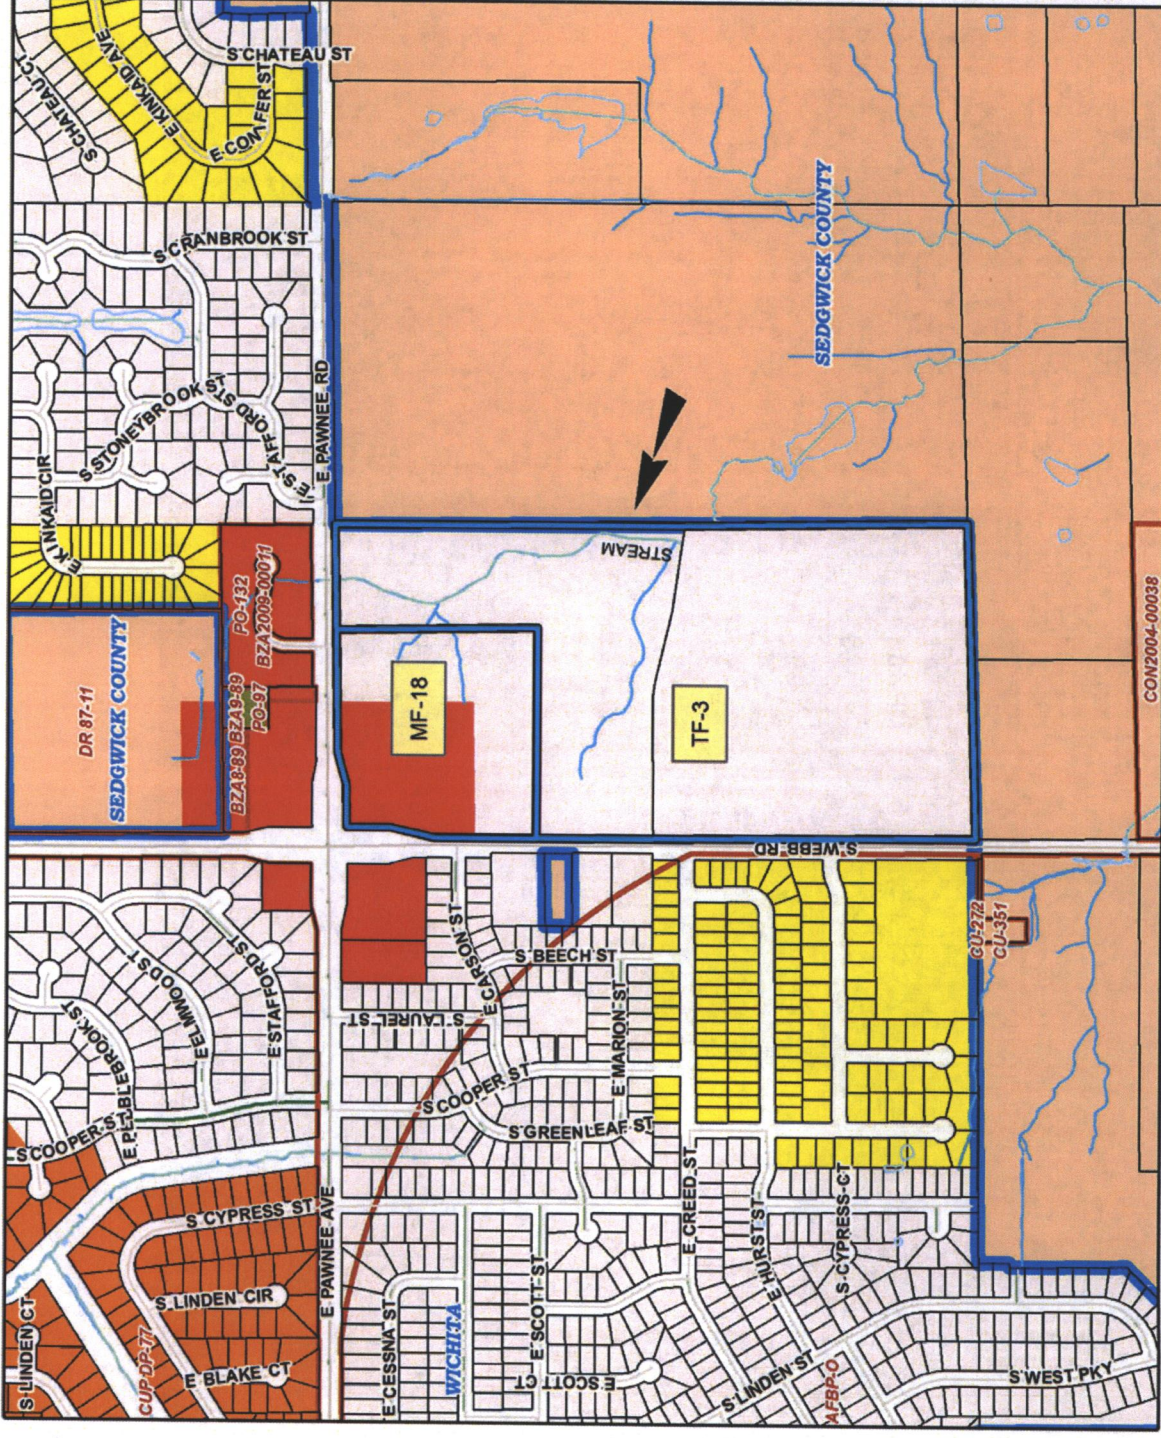

1. **The zoning, uses and character of the neighborhood:** The character of the neighborhood is residential and undeveloped. Properties to the north are zoned LC Limited Commercial District. Properties to the north, across East Pawnee Road are zoned LC Limited Commercial. The western half of the property (north of the subject site) is undeveloped, while the eastern half is developed with duplexes and is subject to Protective Overlay #192. Property to the south is zoned SF-20 Single-Family Residential District, is in unincorporated Sedgwick County, and is owned by the applicant. This property is currently in use as agricultural land. Property to the east is zoned SF-20 Single-Family Residential District, is located in unincorporated Sedgwick County, and is in use as agricultural land. Properties to the west are zoned LC Limited Commercial District, SF-5 Single-Family Residential District, and SF-20 Single-Family Residential District. The SF-20 property is located in unincorporated Sedgwick County, while the LC and SF-5 properties are located within the City of Wichita. The LC property is undeveloped, and the SF-20 and SF-5 properties are developed with single-family dwellings.
2. **The suitability of the subject property for the uses to which it has been restricted:** The property is presently zoned LC Limited Commercial District and SF-5 Single-Family Residential District, which is suitable for a limited number of commercial, residential, public, and civic uses. Duplexes and multi-family residential are not allowed in SF-5 Single-Family Residential District zoning.

3. **Extent to which removal of the restrictions will detrimentally affect nearby property:** Staff does not anticipate the removal of restrictions to detrimentally affect nearby property. There are multiple properties zoned TF-3 Two-Family Residential District and MF-18 Multi-Family Residential District to the west and north of the subject site. Therefore, duplexes and multi-family developments are not a new type of development to the area.
4. **Length of time subject property has remained vacant as zoned:** The subject site has been in use as agricultural land.
5. **Relative gain to public health, safety, and welfare as compared to the loss in value or the hardship imposed upon the applicant:** Approval would permit new development in an area on an undeveloped parcel that is also appropriate for such development. Denial may represent a loss of economic opportunity for the applicant.
6. **Conformance of the requested change to the adopted or recognized Comprehensive Plan and policies:** The requested zoning would continue to allow the property to be in conformance with the *Community Investments Plan*, as discussed in the staff report.
7. **Impact of the proposed development on community facilities:** The Planning Department does not anticipate the requested zone change will have a significant impact on community facilities.
8. **Opposition or support of neighborhood residents:** At the time the staff report was prepared, staff received one phone call from the public that was curious about the development but was neither in support of nor in opposition to the requested zone change.
