STAFF REPORT
MAPC: December 12, 2024

CASE NUMBER: CON2024-00256 (County)

APPLICANT/AGENT: Dennis and Jennifer Carter (Applicants)

REQUEST: Conditional Use to permit a Single-Vehicle RV Campground

CURRENT ZONING: RR Rural Residential District

SITE SIZE: 5 acres

LOCATION: Generally located within one-quarter mile east of South 143rd Street East and one-quarter mile north of East 63rd Street South (14600 E. 60th Street South).

PROPOSED USE: Permit Temporary Use of RV as Dwelling

RECOMMENDATION: Approval with Conditions

BACKGROUND: The applicants are requesting a Conditional Use for a single-vehicle Recreational Vehicle (RV) Campground on property zoned RR Rural Residential District (RR). The five-acre property is generally located within one-quarter mile east of South 143rd Street East and one-quarter mile north of East 63rd Street South (14600 East 60th Street South). The RV is currently being utilized on-site. The purpose of the request is to continue to utilize the RV as a dwelling on-site until a single-family dwelling can be constructed. The applicants indicate that the single-family dwelling will likely be completed in the next 18 months. An RV Campground is permitted in the RR District with Conditional Use approval.

The attached site plan illustrates the RV is placed west of a shop building. The site plan also indicates a general location of the future dwelling that is southwest of the RV location, in between the “Y” in the driveway.

Properties to the north, east, south and west of the subject site are zoned RR and developed with large-lot single-family dwellings.

CASE HISTORY: In 2022, the subject site was platted as part of the Johnson Flats Addition. There are no other cases are associated with this site.

ADJACENT ZONING AND LAND USE:

NORTH: RR	Large lot single-family residence
SOUTH: RR	Large lot single-family residence
EAST: RR	Large lot single-family residence
WEST: RR	Large lot single-family residence

PUBLIC SERVICES: The subject site has access to East 60th Street South, a two-way, residential gravel road. Water is provided to the subject site by Sedgwick County Rural Water District #3, and sewer will be an on-site system.

CONFORMANCE TO PLANS/POLICIES: The requested Conditional Use is in conformance with the *Community Investments Plan. The 2035 Community Investments Plan* identifies this area as “Rural” which encompasses land outside the 2035 urban growth areas for Wichita and the small cities. Agricultural uses, rural-based businesses, and larger lot residential exurban subdivisions likely will be developed in this area. The temporary placement of an RV as a dwelling on-site until construction of a single-family dwelling is complete is not likely to have significant detrimental impacts on surrounding uses.

RECOMMENDATION: Based upon information available prior to the public hearings, planning staff recommends that the Conditional Use request be **APPROVED**, subject to the following conditions:

1. The Conditional Use permits a Recreational Vehicle Campground for one (1) Recreational Vehicle.
2. Tent camping is not permitted.
3. The Recreational Vehicle Campground shall be developed and maintained in general compliance with the approved site plan. All improvements and the operation of the Recreational Vehicle Campground shall be in compliance with applicable regulations and codes.
4. The Conditional Use for a Recreational Vehicle Campground for one (1) Recreational Vehicle shall be declared null and void upon issuance of a certificate of occupancy for a permanent structure on the approved site; or, after the Recreational Vehicle has been removed from the site for a period of 30 days; or, for two (2) years from date of approval with an option to extend one time for a one (1) year period by Administrative Adjustment approved by the Metropolitan Area Planning Department.

5. Onsite water and wastewater services shall be provided in compliance with Sedgwick County codes. Electric, gas, telephone and cable television utility service may be provided as separate utility services from the primary residence.
6. The applicant shall obtain all applicable permits including, but not limited to: building, health and zoning. This will include submitting plans for review and approval by the MABCD.
7. If the Zoning Administrator finds that there is a violation of any of the conditions of the Conditional Use, the Zoning Administrator, in addition to enforcing the other remedies set forth in Article VIII of the Unified Zoning Code, may, with the concurrence of the Planning Director, declare that the Conditional Use is null and void.

This recommendation is based on the following findings:

1. **The zoning, uses and character of the neighborhood:** Properties to the north, east, south and west of the subject site are zoned RR and developed with large-lot single-family dwellings.
2. **The suitability of the subject property for the uses to which it has been restricted:** The subject site is zoned RR Rural Residential District and is suitable for single-family, agricultural, and a limited number of commercial uses as rural home occupations. A Recreational Vehicle Campground requires Conditional Use approval in the RR District.
3. **Extent to which removal of the restrictions will detrimentally affect nearby property:** Recreational Vehicle Campground means the use of land designed for occupancy by Recreational Vehicles for temporary or transient living purposes, including the use of camping spaces for tents. The conditions of approval restrict the site to one (1) Recreational Vehicle and no tent camping and place a time limit on how long the RV can be used prior to construction and occupancy of a single-family dwelling.
4. **Length of time subject property has remained vacant as zoned:** The subject site has never been developed.
5. **Relative gain to the public health, safety and welfare as compared to the loss in value or the hardship imposed upon the applicant:** The public's health, safety, and welfare should not be impacted by the request. Denial of the request could represent a hardship on the applicants who desire to reside on site prior to / and during construction of their single-family dwelling.
6. **Conformance of the requested change to the adopted or recognized Comprehensive Plan and policies:** The requested Conditional Use is in conformance with the *Community Investments Plan* as identified in the staff report.
7. **Impact of the proposed development on community facilities:** No substantial adverse impacts are anticipated on community facilities.
8. **Opposition or support of neighborhood residents:** At the time the staff report was prepared, staff did not receive any comments from the public regarding the requested Conditional Use.
