**CASE NUMBER:** CON2024-00220 (County)

**APPLICANT/OWNER:** Kevin and Lori Igo (Applicants)

**REQUEST:** Conditional Use to permit an Accessory Apartment

**CURRENT ZONING:** RR Rural Residential District

**SITE SIZE:** 5.9968 acres

**LOCATION:** Generally located on the east side of South 183<sup>rd</sup> Street West and within 420 feet north of West Pawnee Avenue (2240 South 183<sup>rd</sup> Street West).

**PROPOSED USE:** Accessory Apartment.

**RECOMMENDATION:** Approval with conditions.

**BACKGROUND:** The applicant is requesting a Conditional Use to allow an Accessory Apartment on property zoned RR Rural Residential District. The 5.9968-acre subject site is generally located on the east side of South 183<sup>rd</sup> Street West and within 420 feet north of West Pawnee Avenue (2240 South 183<sup>rd</sup> Street West). The subject site is currently undeveloped but is utilized for agricultural uses.

The property currently has not been developed with any buildings; however, the applicant is planning to construct a principal building and an outbuilding concurrently with the Accessory Apartment. The proposed Accessory Apartment is defined as such because it would have living facilities for sleeping, eating, sanitation and a kitchen, which requires water and sewer services. The proposed building measures 58 feet by 36 feet. It is located 350 feet from the east property line and 100 feet from the south property line. Access to the Accessory Apartment would be from the proposed driveway from South 183<sup>rd</sup> Street West. The principal structure and the Accessory Apartment would share a wastewater lagoon and wells.

The Wichita-Sedgwick County Unified Zoning Code (“UZC”) defines an “Accessory Apartment” (Sec. II-B.1.b) as a dwelling unit that may be wholly within or may be detached from a principal building. Accessory Apartments are also subject to Supplementary Use Regulation Sec.III-D.6.a:

1. a maximum of one Accessory Apartment may be allowed on the same lot as a single-family dwelling unit that may be within the main building, within an accessory building or constructed as an Accessory Apartment;
2. the appearance of an Accessory Apartment shall be compatible with the main dwelling unit and with the character of the neighborhood;
3. the Accessory Apartment shall remain accessory to and under the same ownership as the principal single-family dwelling unit, and the ownership shall not be divided or sold as a condominium; and
4. the water and sewer service provided to the Accessory Apartment shall not be provided as separate service from the main dwelling. Electric, gas, telephone and cable television utility service may be provided as separate utility services.

The character of the area is rural and low-density residential. The property is within the City of Goddard’s Urban Area of Influence. Properties to the north, south, east and west are zoned RR Rural Residential District in unincorporated Sedgwick County. Property to the north is developed with a single-family dwelling. Properties to the east and south are under common ownership and are developed with a single-family dwelling and agriculture uses. Property to the west, across South 183<sup>rd</sup> Street West, is developed with a single-family dwelling and agriculture uses.

**CASE HISTORY:** On March 22, 2006, the subject site was platted as part of the Marie’s Meadow North Addition. There are no other zoning cases associated with this property.

**ADJACENT ZONING AND LAND USE:**

NORTH:	RR	Single-family dwelling
SOUTH:	RR	Single-family dwelling/Agriculture
EAST:	RR	Agriculture
WEST:	RR	Single-family dwelling/Agriculture

**PUBLIC SERVICES:** This site has access to South 183<sup>rd</sup> Street West, a paved, two-lane county arterial street. The property uses onsite sewage and well water.

**CONFORMANCE TO PLANS/POLICIES:** The requested Conditional Use is in conformance with *The Community Investments Plan*. The *Community Investments Plan* (the Wichita-Sedgwick County Comprehensive Plan) includes the 2035 Wichita Future Growth Concept Map. The Map identifies the area in which the site is located to be appropriate for “Small City Urban Growth Area”, which the *Plan* defines as: “Generally located adjacent to existing municipal boundaries, these areas indicate the likely direction and magnitude of growth these

communities can expect to experience out to the year 2035. Growth direction and amount is based upon municipal political considerations, anticipated population growth, efficient patterns of growth, current infrastructure limitations, cost effective delivery of future municipal services, and environmental factors.” With the subject site being in the Goddard Urban Growth Area, staff reviewed the Goddard 2015 Comprehensive Plan to identify the proposed future land use of the subject site. The attached 2015 Future Land Use Map from the City of Goddard identifies the site as appropriate for Future Residential. Staff believes that the proposed Accessory Apartment conforms to the planned future use for the subject site.

**RECOMMENDATION:** Based upon information available prior to the public hearings, planning staff recommends that the request for the Accessory Apartment be **APPROVED**, subject to the following conditions:

1. The Accessory Apartment shall remain accessory to and under the same ownership as the principal building (2240 South 183<sup>rd</sup> Street West) and the ownership shall not be divided or sold as a condominium.
2. Development of the site shall be in conformance with the approved site plan.
3. The applicant shall obtain all applicable permits including, but not limited to building, health, and zoning. This will include turning in plans for review and approval by the MABCD for the Accessory Apartment, if necessary.
4. If the Zoning Administrator finds that there is a violation of any of the conditions of the Conditional Use, the Zoning Administrator, in addition to enforcing the other remedies set forth in Article VIII of the Unified Zoning Code, may, with the concurrence of the Planning Director, declare that the Conditional Use is null and void.

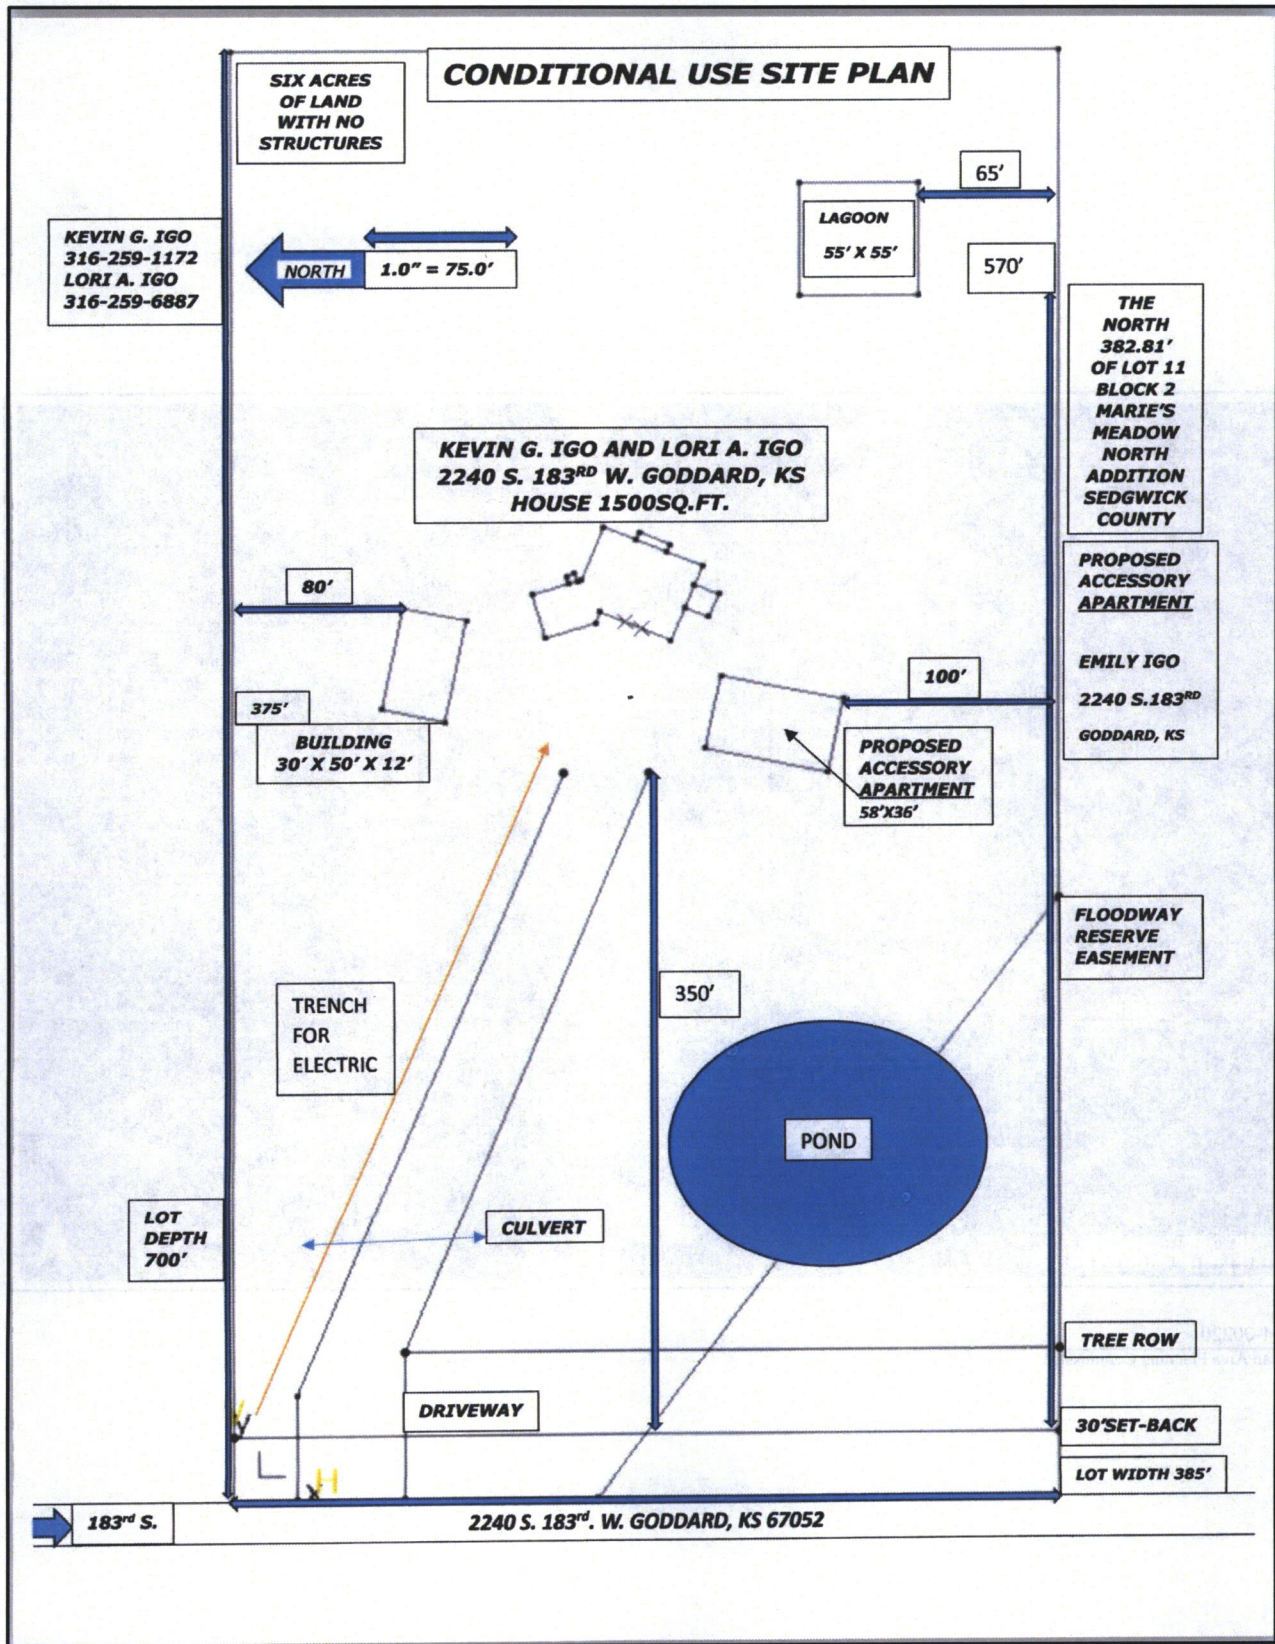

This recommendation is based on the following findings:

1. **The zoning, uses and character of the neighborhood:** The character of the area is rural and low-density residential. The property is within the City of Goddard’s Urban Area of Influence. Properties to the north, south, east and west are zoned RR Rural Residential District in unincorporated Sedgwick County. Property to the north is developed with a single-family dwelling. Properties to the east and south are under common ownership and are developed with a single-family dwelling and agriculture uses. Property to the west, across South 183<sup>rd</sup> Street West, is developed with a single-family dwelling and agriculture uses.
2. **The suitability of the subject property for the uses to which it has been restricted:** The subject site is currently zoned RR Rural Residential District, which is suitable for a single-family residence and an Accessory Apartment with an approved Conditional Use. The size of the property can easily accommodate a separate Accessory Apartment and the additional required parking space.
3. **Extent to which removal of the restrictions will detrimentally affect nearby property:** Staff does not anticipate that approval of the request will generate significant amounts of additional traffic and there is ample space for parking on site. The conditions of approval should minimize any potential detrimental impacts.
4. **Length of time subject property has remained vacant as zoned:** The subject property has never been developed other than with possible agricultural fields. The applicant is in the process of developing the site for a single-family dwelling with an outbuilding and the proposed Accessory Apartment.
5. **Relative gain to the public health, safety and welfare as compared to the loss in value or the hardship imposed upon the applicant:** It is not anticipated that the requested Conditional Use will have an effect on the public health, safety, or welfare. Denial of the application may result in a loss of enjoyment for the applicant.

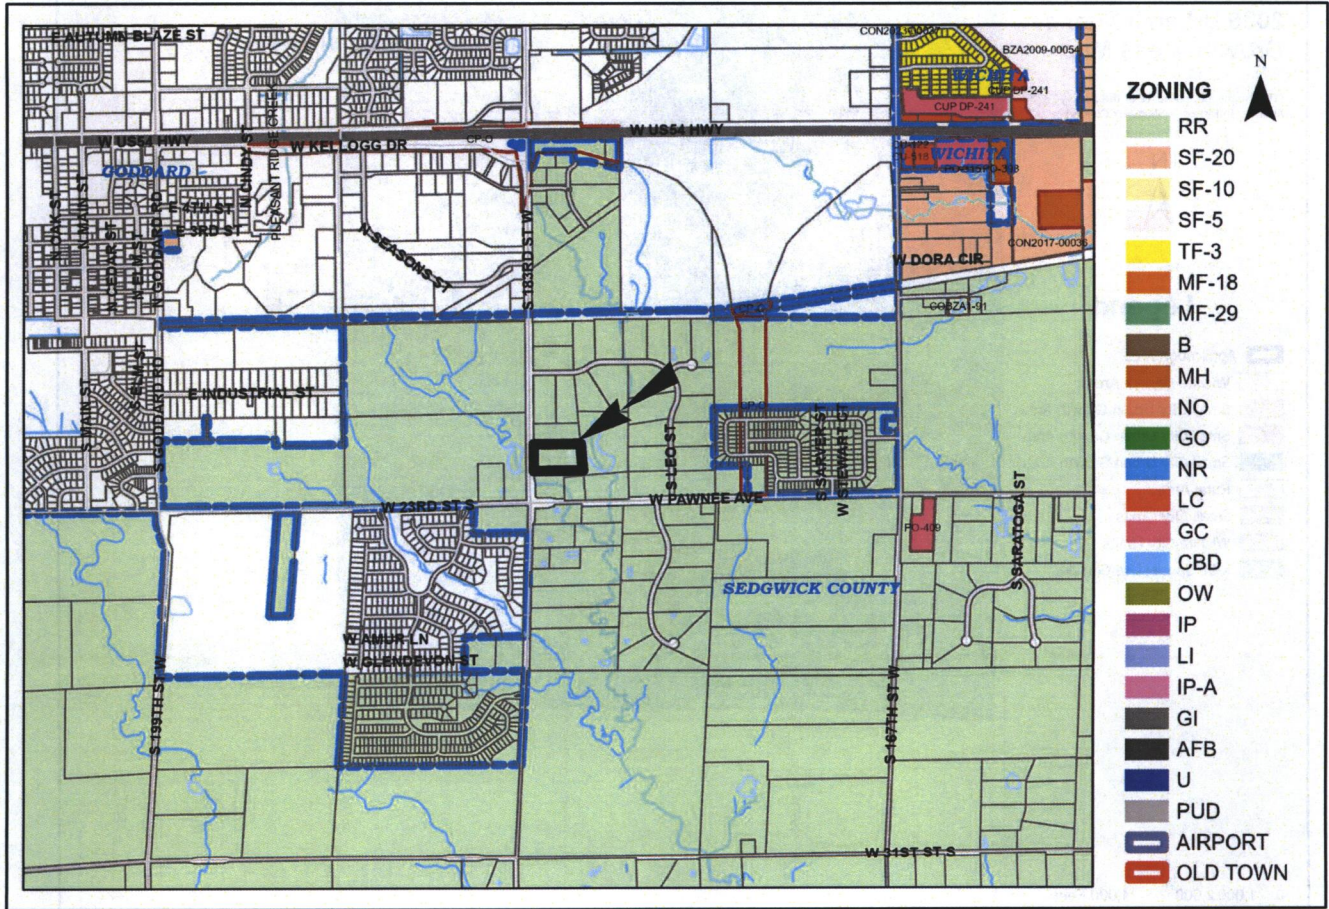

6. **Conformance of the requested change to the adopted or recognized Comprehensive Plan and policies:** The request for an Accessory Apartment is in conformance with the *Community Investments Plan*, as discussed in this staff report.
7. **Impact of the proposed development on community facilities:** Staff expects that there will be minimal impact on public roads and services.
8. **Opposition or support of neighborhood residents:** At the time the staff report was prepared, staff had not received any comments from the public regarding the requested Conditional Use.
